"We cling to old photographs and letters

because they comfort our intangible need for location in time."

"The ruins of every civilization

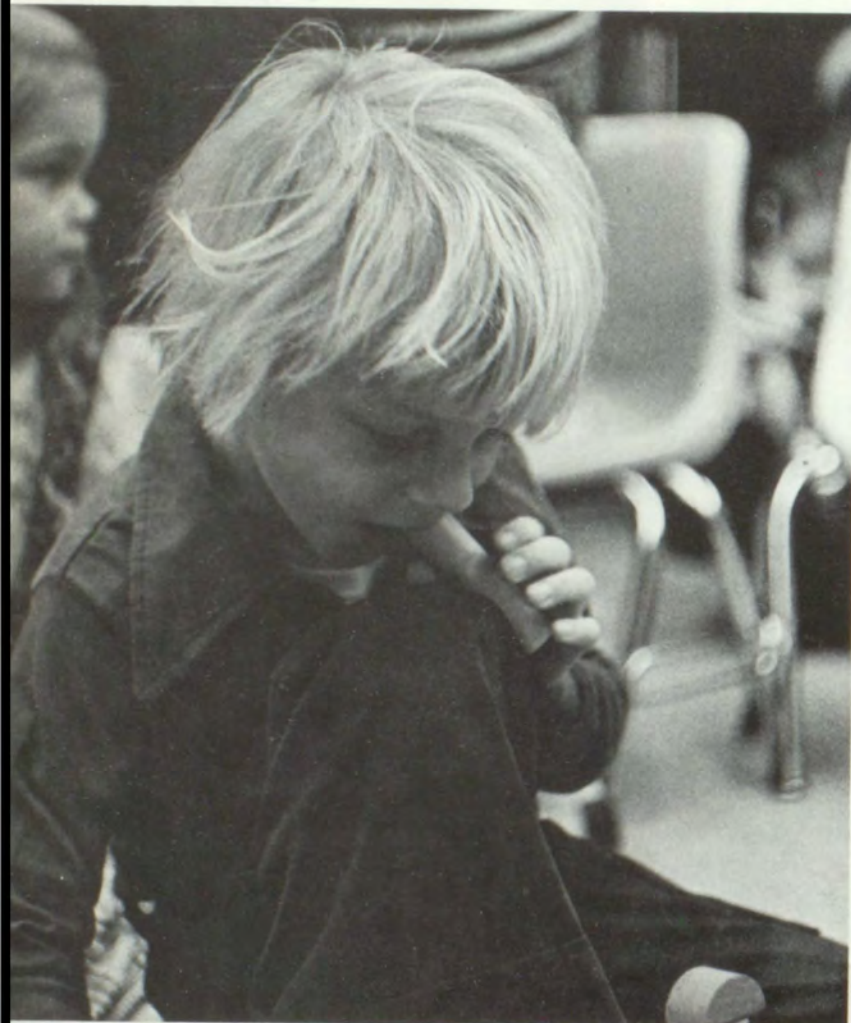

are the marks of men trying to express

themselves, to leave an impression upon the earth."

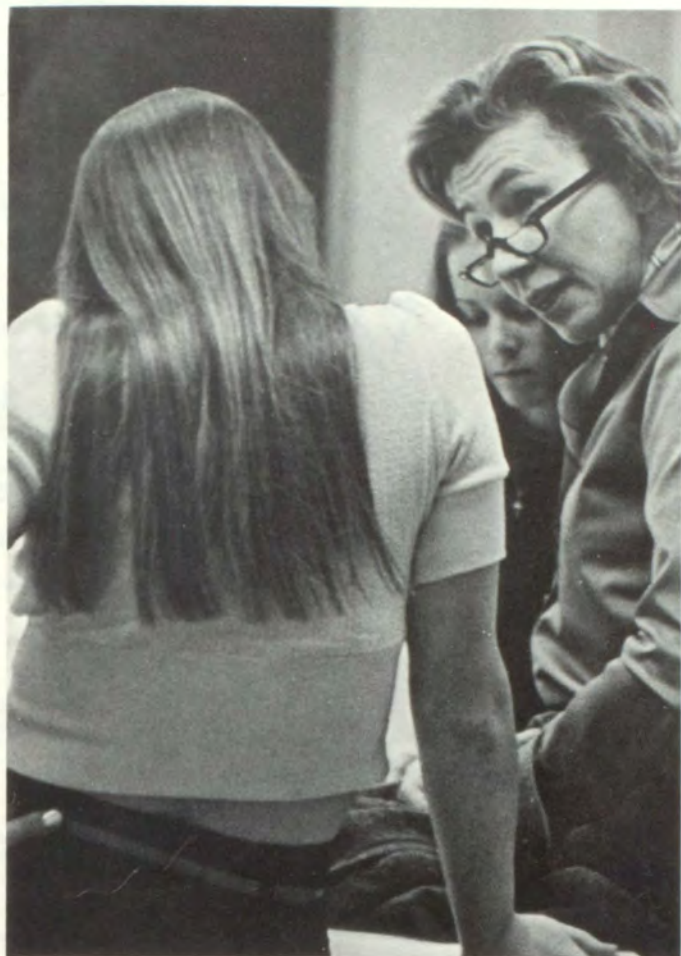

— Loren Eiseley

"If one thinks of oneself at five years of age, one may get a thin wisp of

disconnected memory pictures. By contrast, the past of a living species is

without memory except as that past has written its physical record in vestigal

organs like the appendix or a certain pattern in our molar teeth."

Marching Band and Rockettes:

Foggy practices in the early morning, endless coaching, and a lot of Pride produced the finest Marching Band and Rockettes of recent years. Participating in Band Festivals at Wierton and Montour and the Shenandoah Apple Blossom Festival, they were well prepared to represent the school.

all it takes is Pride . . .

Like '74

Seniors, proud to wear their yellow mum, knowing this will be their last alma mater at a football game, in the locker room going over blackboard drills, the band strikes up their pre-game march and this is the last time to prove your defense again C.V.'s powerful offense, the spirit runs high, PSYCHE! The crowd roars as you run through the Rockettes and Band and then stab your mother with her mum, horns blare around the field during a special fireworks tribute at half-time to Seniors. You look around and see the team, the Rockettes, the band, the cheerleaders and you're cheering on your feet in the stands: GO! GO! GO!, CAN'T BEAT LEO!, DON'T SAY NOTHING BAD ABOUT THE MOUNTIES . . . you're a SENIOR, it's NEVER BEFORE LIKE '74 and you know you're really going to miss it, after all.

Girls' Varsity Tennis

The girls' tennis team could field two or three teams strong enough to win their section and be a contender at WPGALs. The front-line team was so strong that the team finished the season with a 16-0 record, without ever being scored upon. The girls won WPGALs and will be represented at states by Berta McCallum, a sophomore, trying for the state singles title, and Joy McManus, a junior, and Wendy Gavett, a senior, trying to retain the doubles title that Joy and Berta won last year. These girls' chances at states depend directly on the weeks of hours they've spent hitting serves, ground-strokes, volleys, and smashes. Long hours of practice, with the team and on their own, grooving their strokes so they shot consistently and with depth from the baseline or off-balance while running wide, were realized in this team's phenomenal domination of WPGAL. Coach Stull has had a lot of good teams, but as he said, "It's the best team I ever had."

Basketball

Golf

Golf, a game of power team and precision, getting the total body into a 200 yard drive and delicately stroking a 2 foot putt . . . the calculated concentration combined with hours of practice, buckets of balls, and instruction, to knock the balls into a little hole in the ground. Dan Komarnicki led the team to an excellent 10-2 record, and the Western Conference Championship. If not for an injury to John Cominos, the outstanding player in '72, the team might have done even better. Even as it was, Coach Capanna lauded the as one of the best he's ever had.

VARSITY GOLF: ROW 1: E. Ramsey, L. Goldstein, D. Komarnicki, A. Eckman, T. Warner.
ROW 2: M. Kluck, D. Ellwanger, B. McGrath, Coach Capanna.

Hockey

Solving the identity crisis of a non-school sponsored team, racing up and down the ice, fore-checking and back-checking, requiring years of skating and stick-handling experience . . . penalties, fights, and sweating under the heavy padding require extreme stamina, skill and concentration. Led by Rick Petracca, Scott Martin, Brian Asbury, and the tough goaltending of Jim Cummings, the hockey team had an outstanding regular season, and is looking forward to a good showing in the play-offs.

VARSITY HOCKEY: ROW 1: V. Sarni, B. Asbury, S. Martin, J. Cummings, J. Ackelson, R. Petracca, J. Treher, D. Hays, H. Viehman.

ROW 4: J. Jackson, J. Austin, P. O'Malley, A. Lackner, L. Jones, K. Murphy, J. Homan.

Volleyball

The '74 girls' volleyball season began like all others, grueling hours of long repetition and practice. However, through the efforts of seniors Janet McAnulty, Claudia Steele, Alison Highberger, Janet Homas, Mary Pat Lackner, Merle Monsein, their outstanding coach, Judy Winch, and all the other members of the squad, this season was the most successful in Mt. Lebo history. For the past five years, Montour has dominated our section. Despite this, the girls fought all the way to WPGAL finals and placed an excellent third. All in all, a fantastic season.

VARSITY BASEBALL: ROW 1: J. Schmidt, J. Buckley, M. Dean, C. Ryan, J. Molinda, B. Porter, S. Mandelblatt, B. Willoughby.
ROW 2: Coach H. Gerhardt, D. Sunseri, M. Halper, R. Debold, J. Irwin, R. Campbell, J. McCormick, D. Shapiro, M. Russell, R. Kelly, Coach R. DeHaas.

Baseball

The team was led by Joe Asbury and Jim Buckley, "two real good hustle guy" according to Coach DeHaas. Competition was tough in the section this year, with Bethel coming out on top for the fifth season in a row. Because of last season's disappointing record, next year's team will consist of promising underclassmen. Coach DeHaas is "looking forward to a better season."

Tennis 1973

The boys' tennis team had an "almost" season. They made it to WPIAL finals before losing a close 3-2 decision to Edgewood in a contest where all five matches took three sets. MTL's team had a 10-0 record in their section and a 15-1 record over-all. The team was led by Dave Drossman, the number one singles player, and Lou Miller and Jim Datesh, the number one doubles team, although as Coach Chuck Stull said, "the members were very, very close in ability." It was a good, deep team that almost won WPIALs.

Softball

Girls' Basketball

This year's girls' basketball team was led by a talented group of seniors: Flynn Hall, Wendy Gavett, Mary Pat Lackner, and Eleanor McManus. The team edged out last year's WPGAL champs for the section title when Upper St. Clair was upset by Bethel in the last game of the season, amid the cheers of MTL's entire team.

Practices consisted of dribbling drill, running plays, foul shooting, and watching with awe as Coach Sharkey demonstrated a shot. The girls' favorite topic, Sharkey's foul language, and good times at locker room parties, made the practices more interesting. Because the first-string ran up such large leads, next year's team got valuable game experience. Hustle, discrete elbows under the basket, and cool execution were shown by the entire team during the season, and were what made this group a championship team.

A black and white photograph of a riverbank. In the foreground, a small boat is partially visible on the water. The riverbank is covered with many bare, leafless trees, their branches reaching upwards. The water reflects the trees and the sky. The overall mood is somber and reflective.

*On the death of a friend, we should
consider that the fates through
confidence
have devolved on us the task of a
double living . . . to fulfill the
promise of our friend's life also
in our own, to the world.*

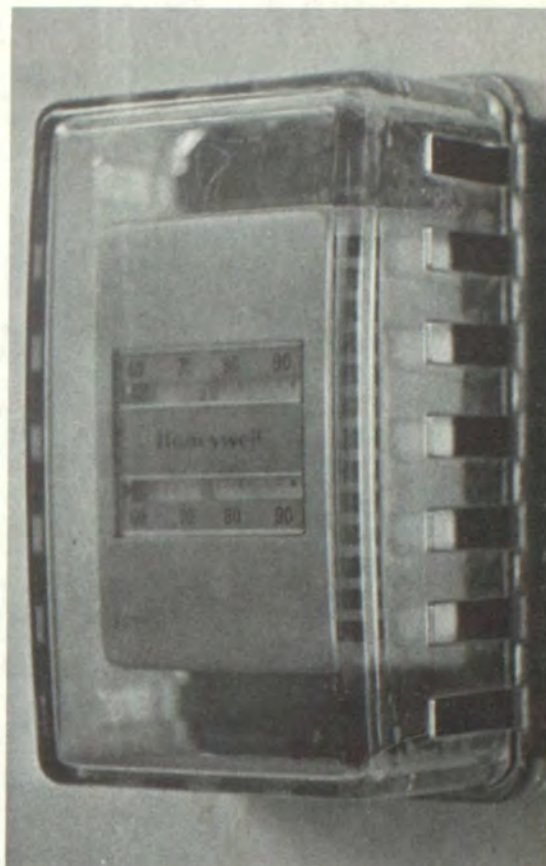

— Thoreau

WANTED

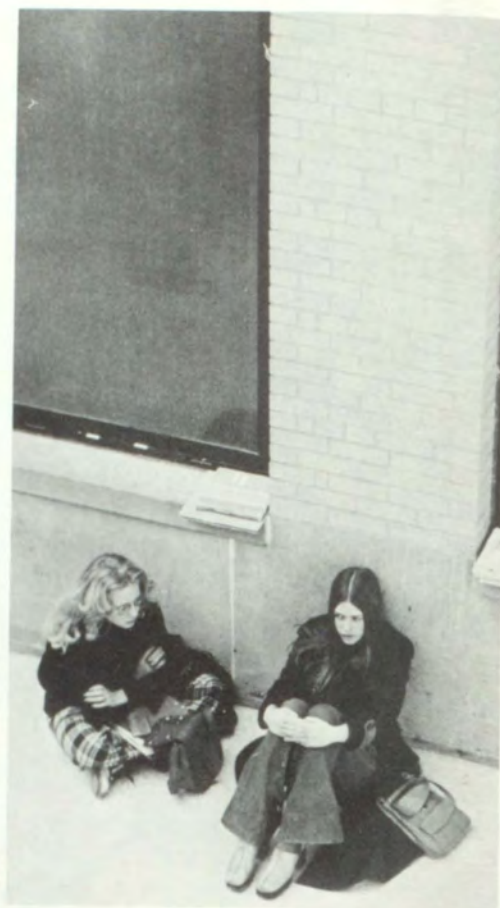

Watergate and Resignations

*"A man need only to be turned around once with his eyes shut in this world
to be lost."
— Thoreau*

But "We cling to a time and a place because

without them man is lost, not only man but life."
— Loran Eiseley

"Life has survived by distributing itself over innumerable tiny environments."

— Loren Eiseley

And is this distribution we have sought to "find ourselves."

"We live by messages — all true scientists, all lovers of the arts, indeed, all true men of any stamps."

"Some of the messages cannot be read, but man will always try."
— Loren Eiseley

But each one of us tries to read this message in a different way.

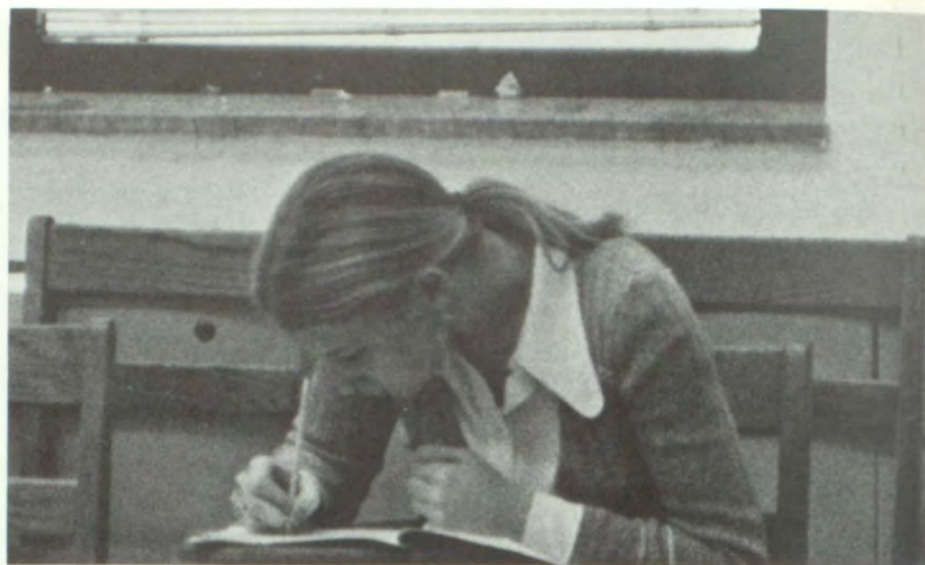

"No one needs to be told that different and private worlds exist in the heads of men."

— Loren Eiseley

*"I looked down the line
and I wondered."
— James Baldwin*

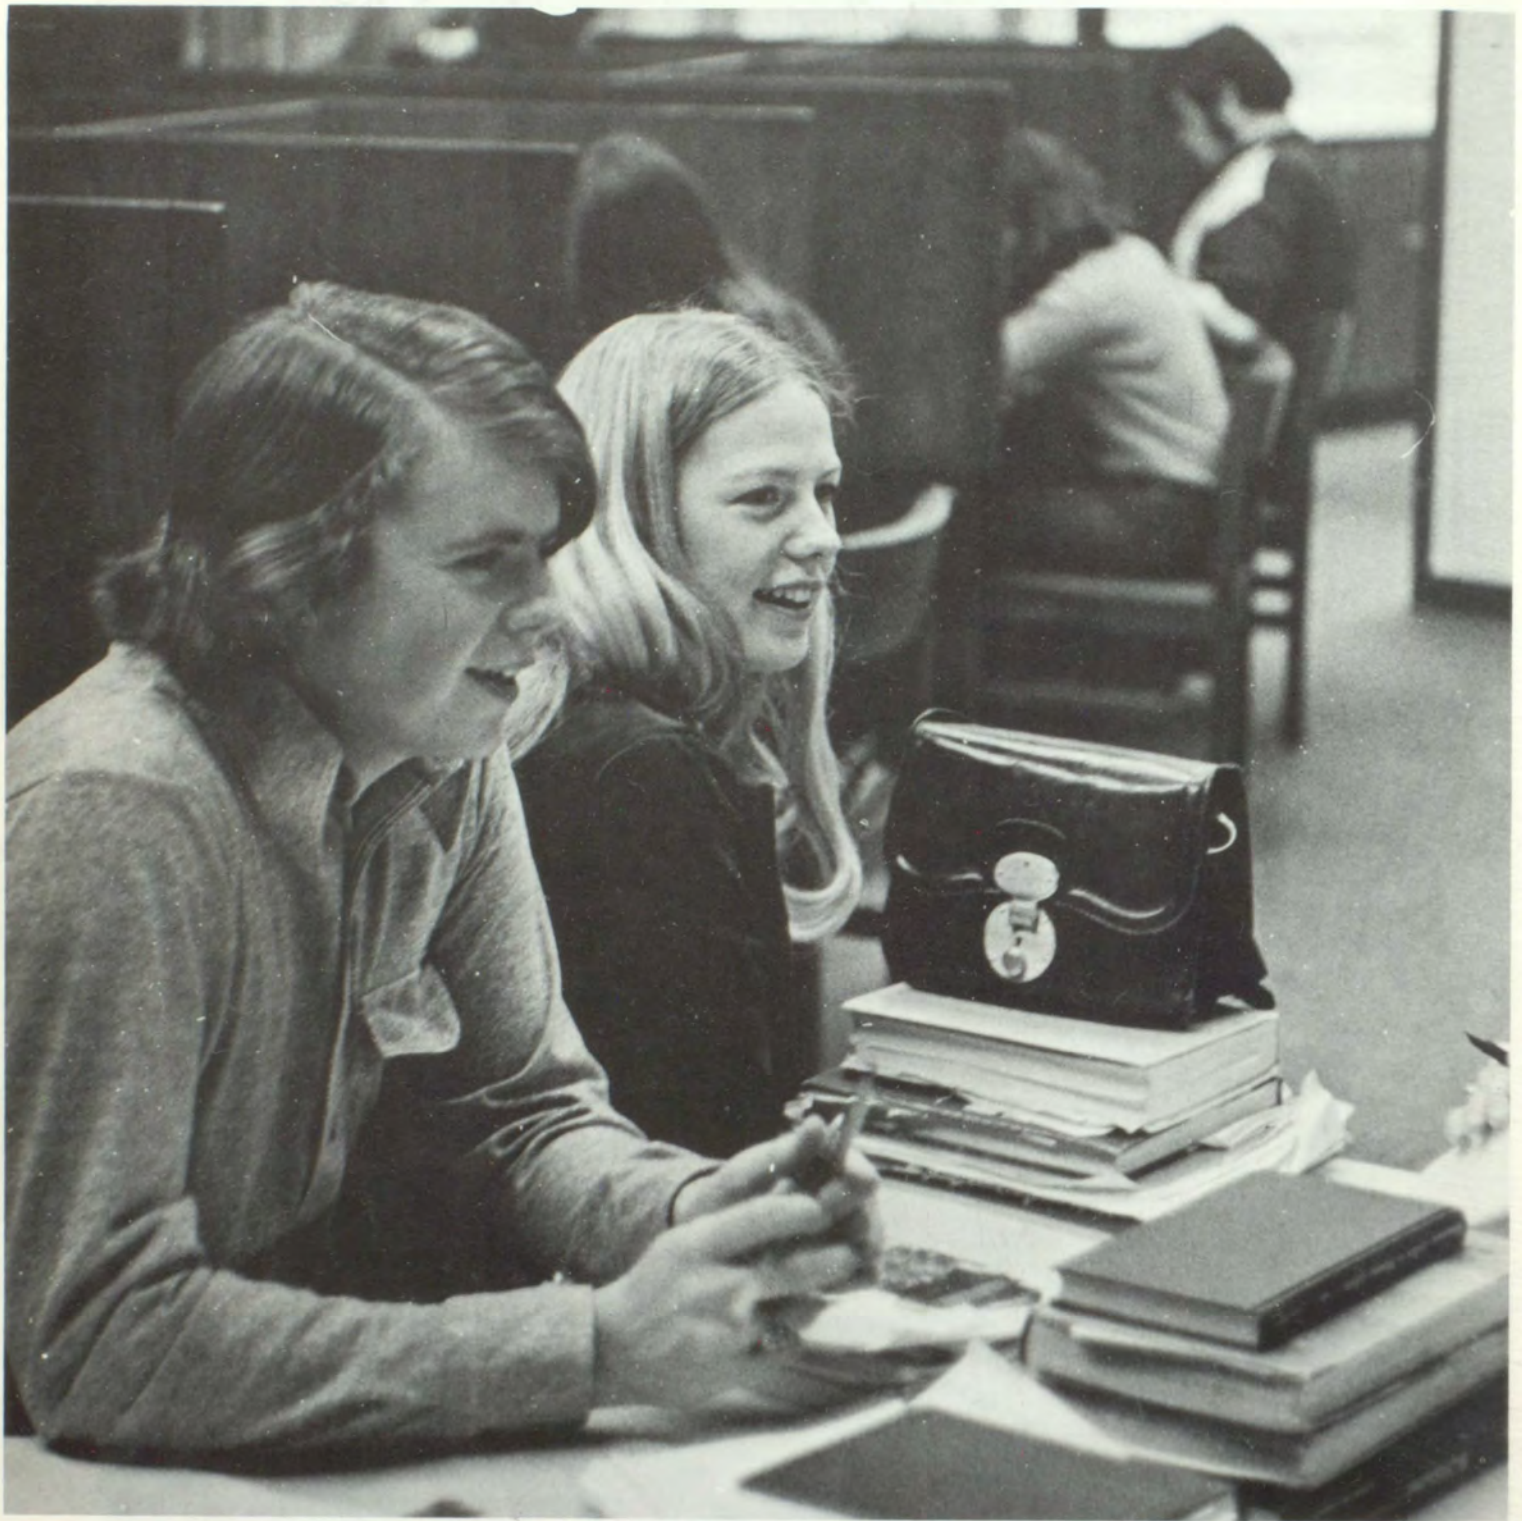

"Out of the self-knowledge gained by putting

dreadful questions man achieves his final dignity."
— Loren Eiseley

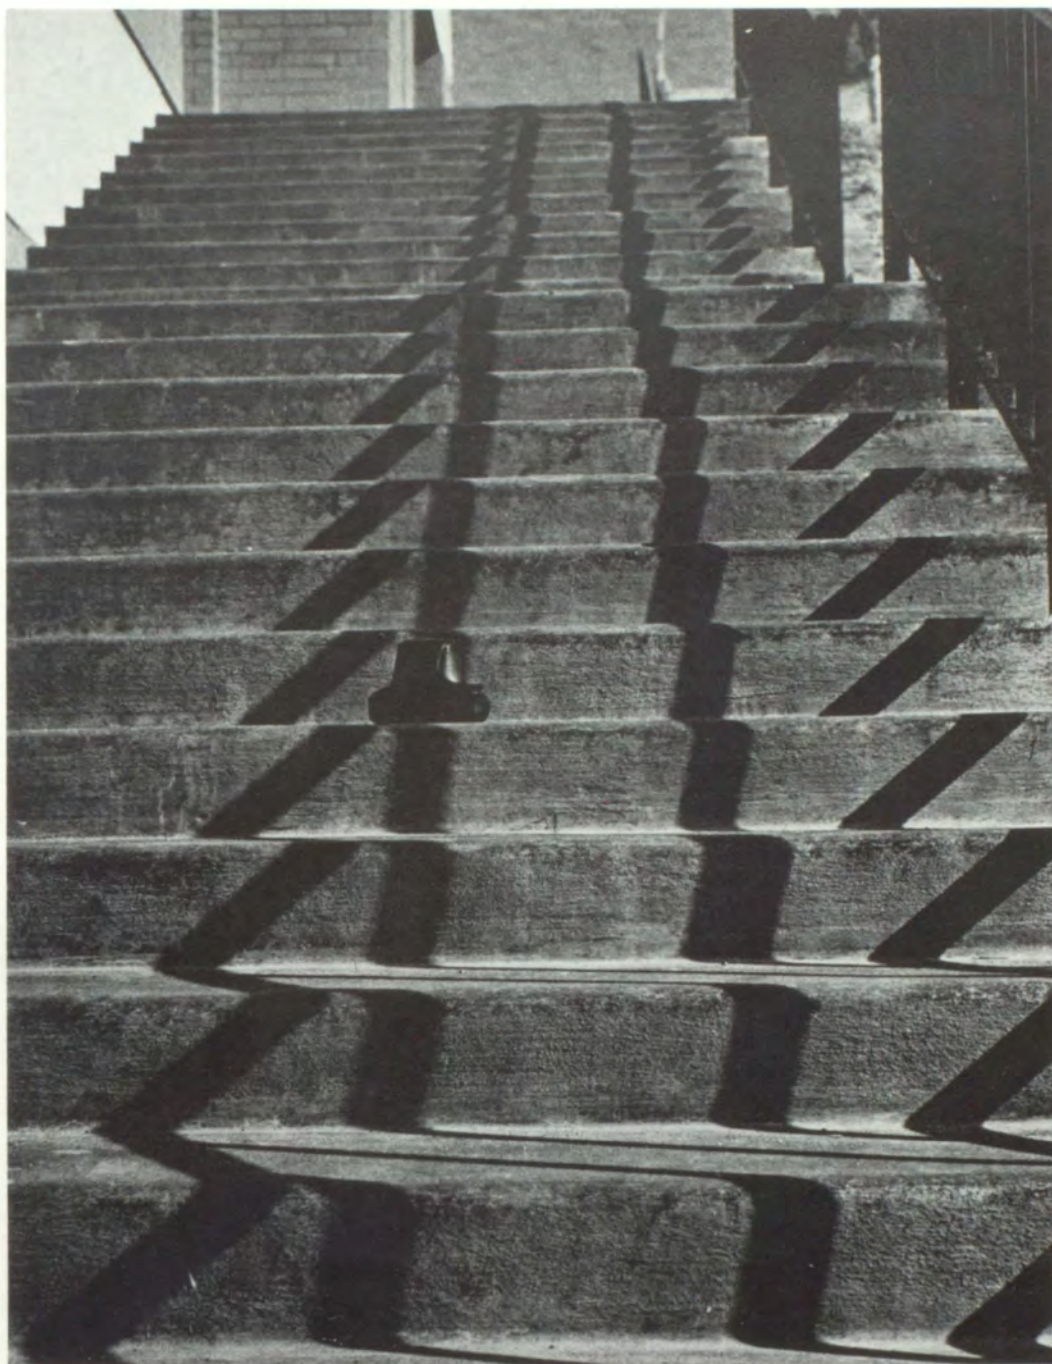

*"It is through the individual brain alone
that there passes the momentary illumination in which*

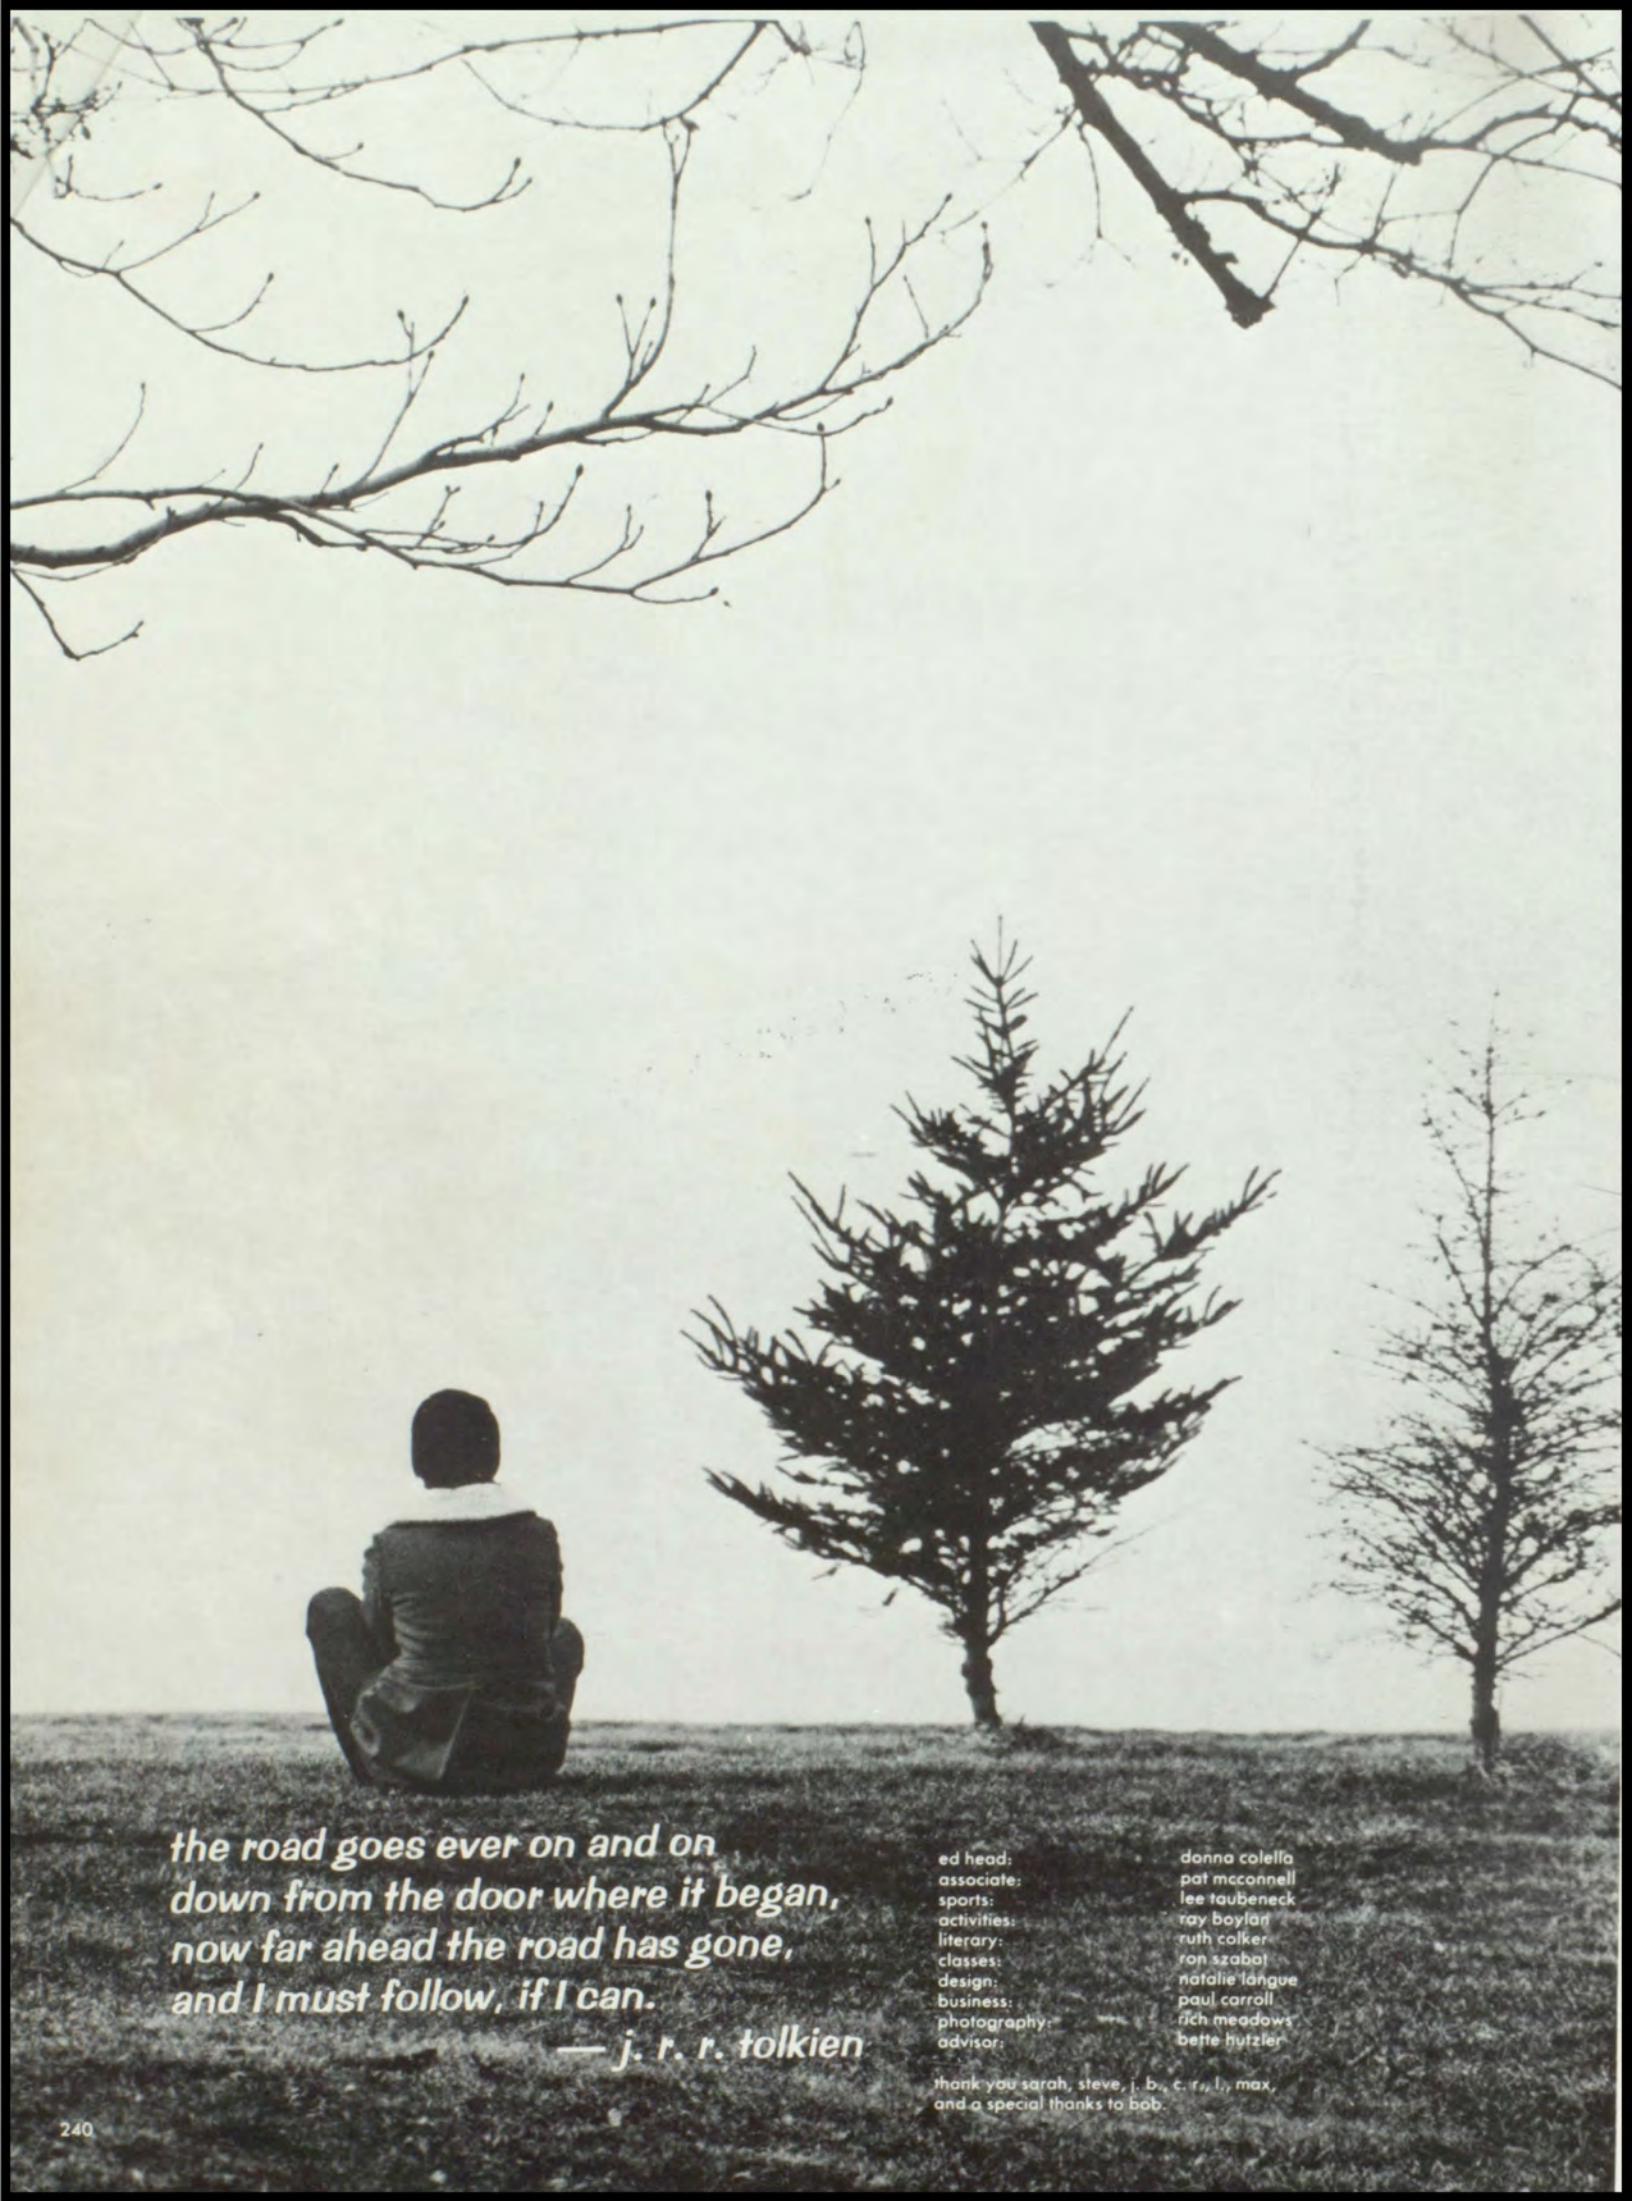

a whole human countryside may be transmuted in an instant."

— Loren Eiseley

And through this individual brain we reach conclusions.

*I will not live out of me
I will not see with others' eyes;
My good is good, my evil ill.
I would be free; I cannot be
While I take things as others
 please to rate them.
I dare attempt to lay out my own road.
 — Ralph Waldo Emerson*

*the road goes ever on and on
down from the door where it began,
now far ahead the road has gone,
and I must follow, if I can.*
