

LOG 1976

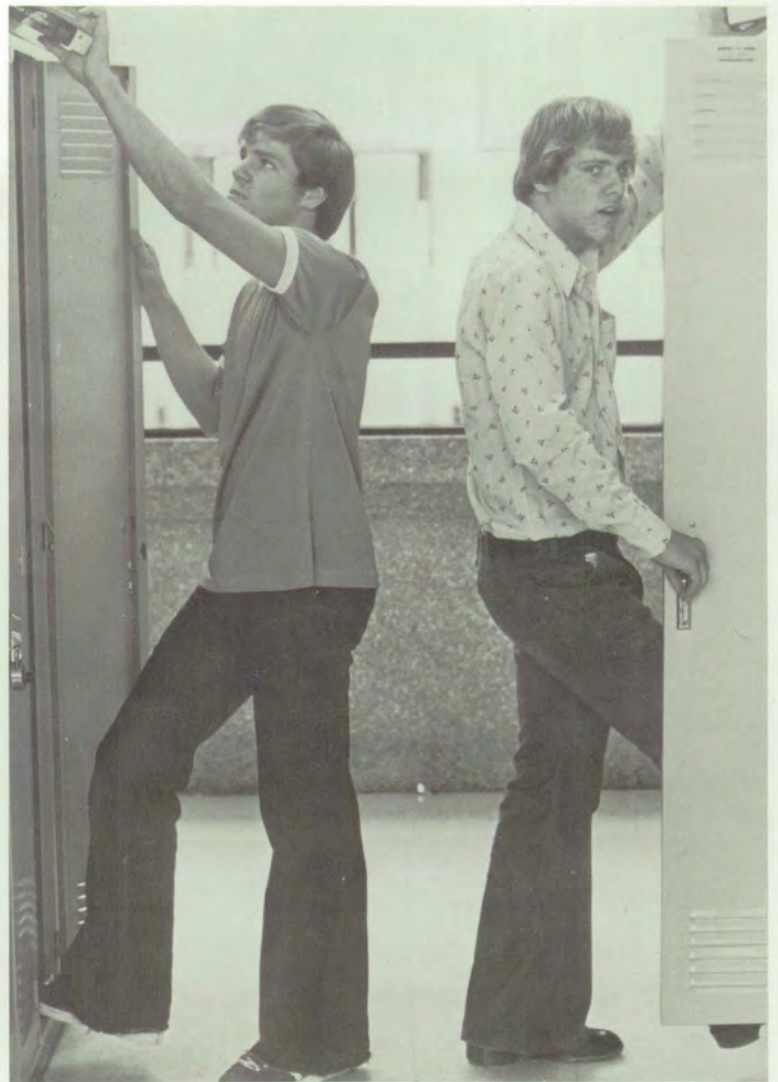

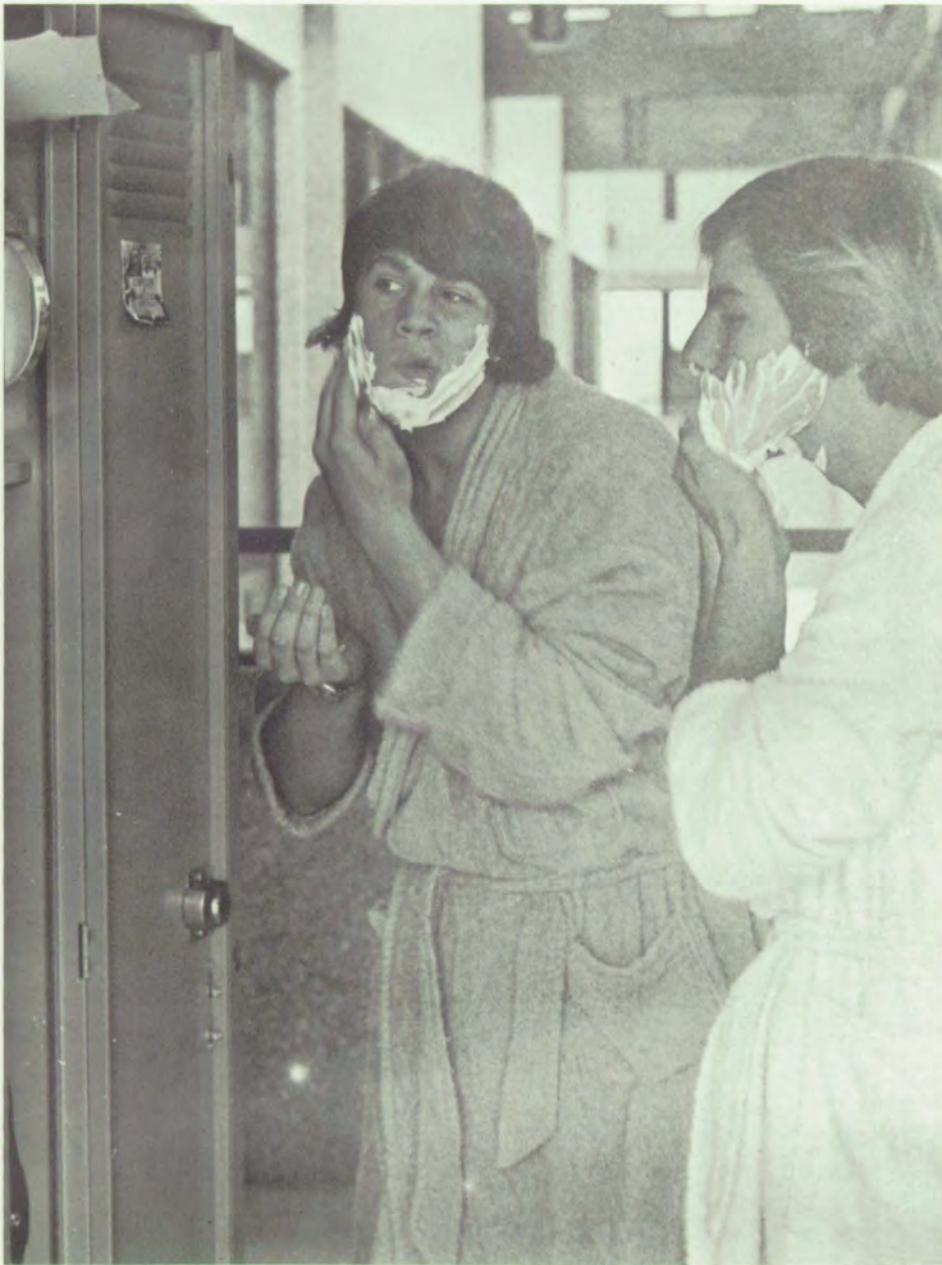

Mt. Lebanon High School
volume 46

No man is an
island, entire of
itself; every man is
a piece of
the continent, a part
of the main . . .

John Donne

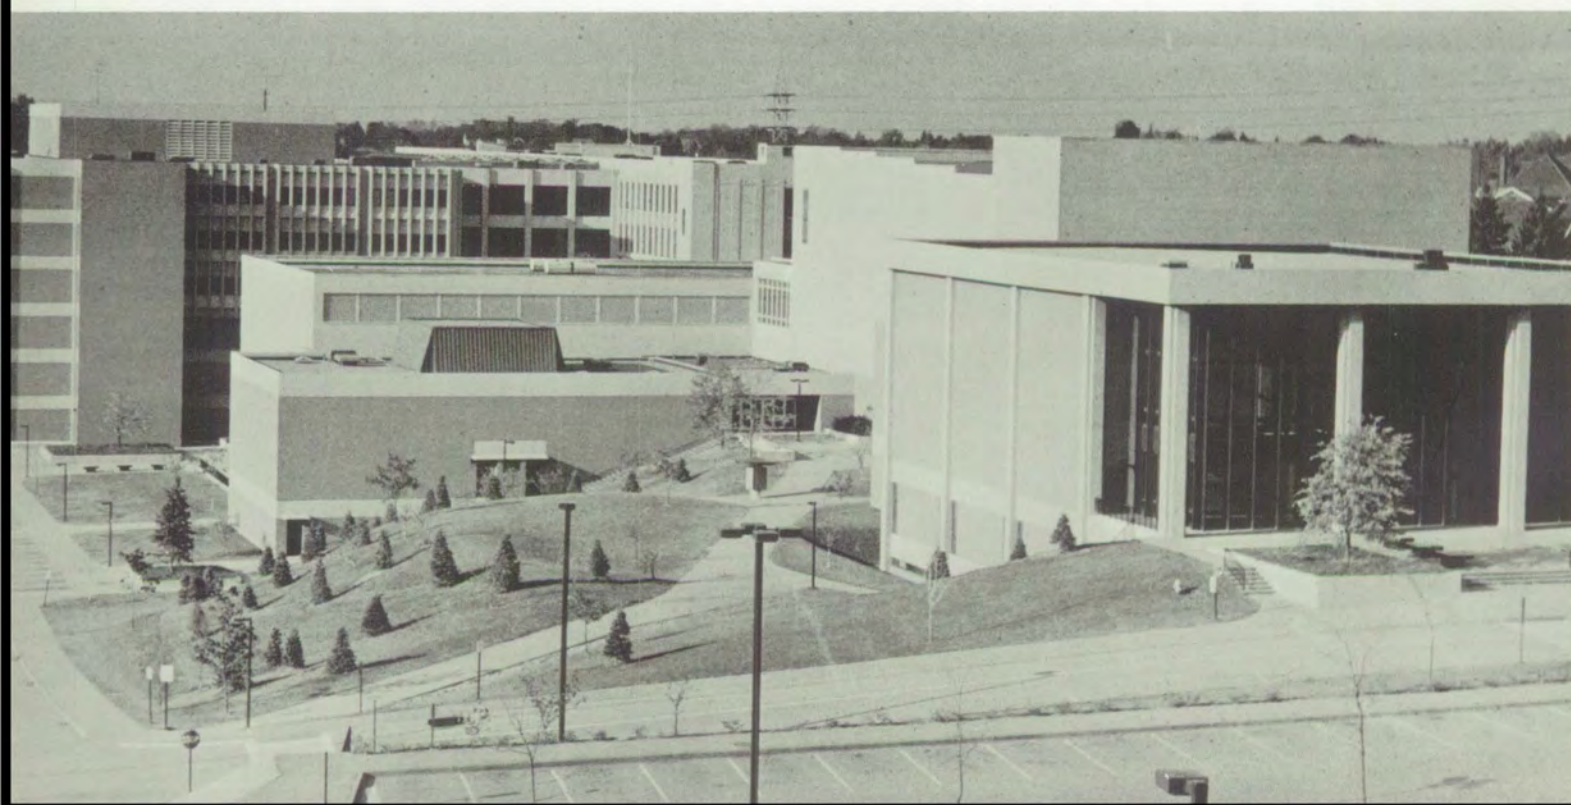

The happiness of life is made up
of minute fractions —
the little soon-forgotten charities
of a kiss or smile,
a kind look,
a heartfelt compliment . . .
Samuel Taylor Coleridge

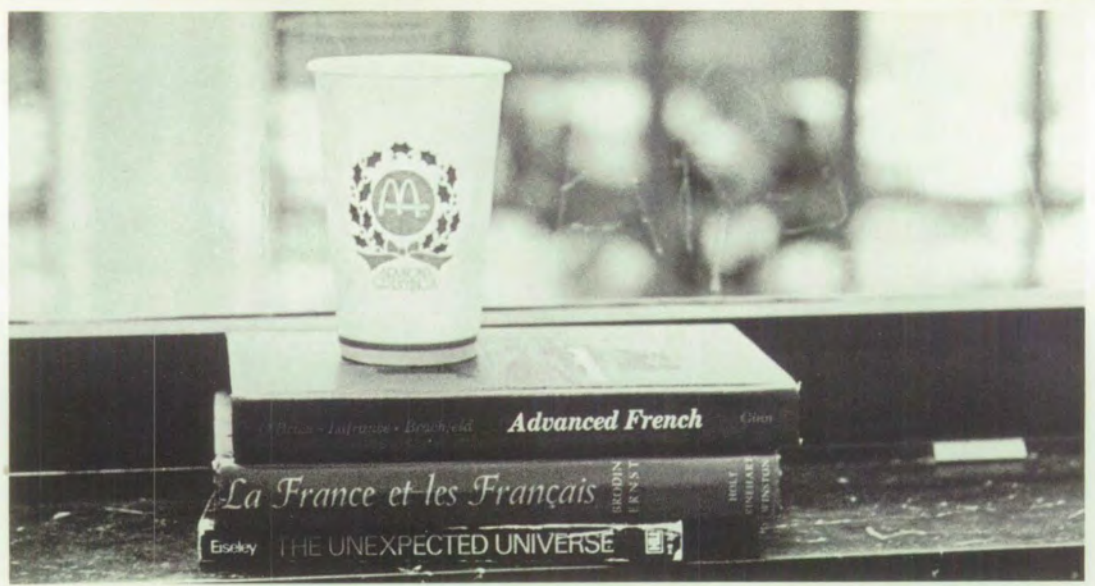

There is no private life
which is not determined
by a wider public life.
George Eliot

The youth of America is
their oldest
tradition. It has been
going on now for
three hundred years.
Oscar Wilde

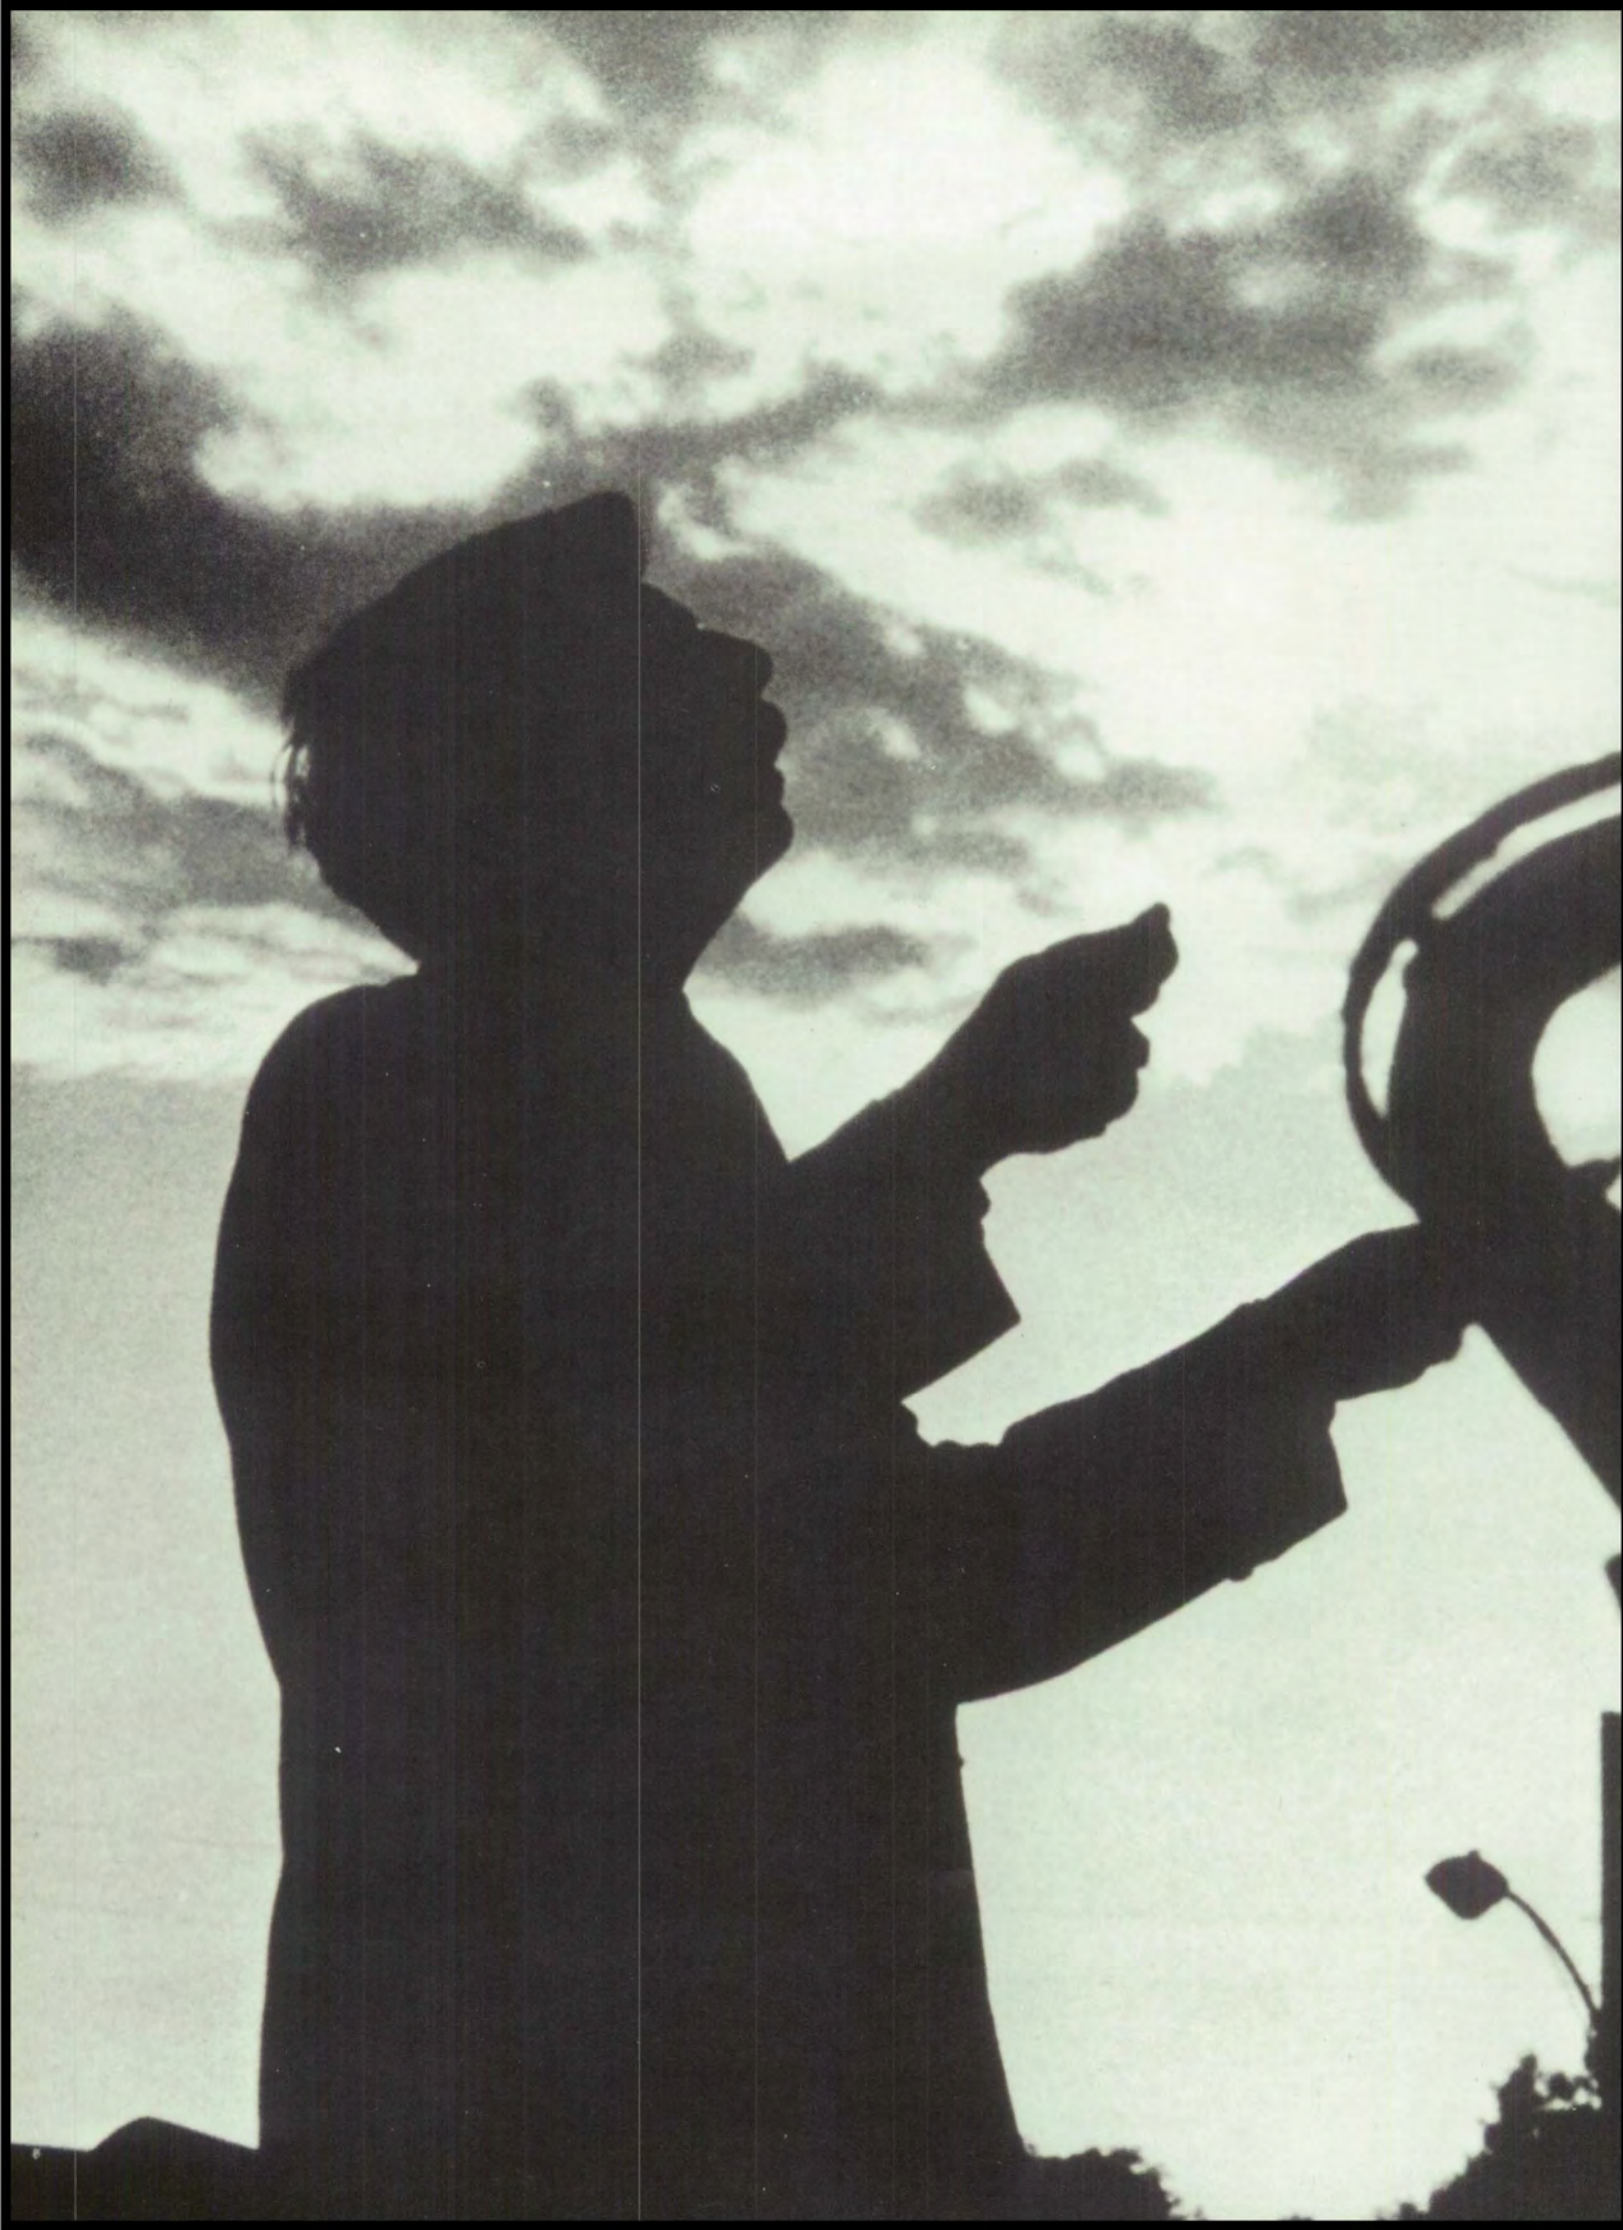

Time is not measured
by the passing of the
years,
but by what one does,
what one feels,
and what one achieves.
Jawaharlal Nehru

Medea

We will grieve not, rather
find strength in what remains behind.

In memory of Mr. Victor Kaiser

1976: a time for reflection

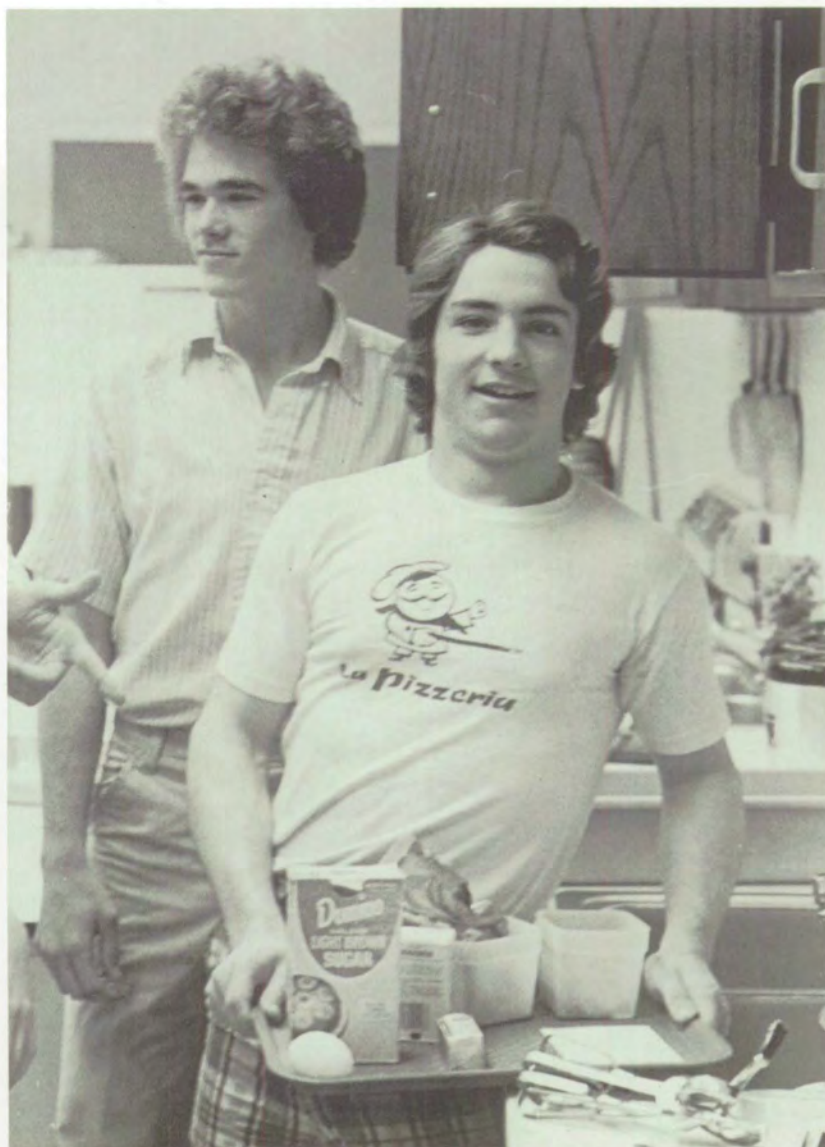

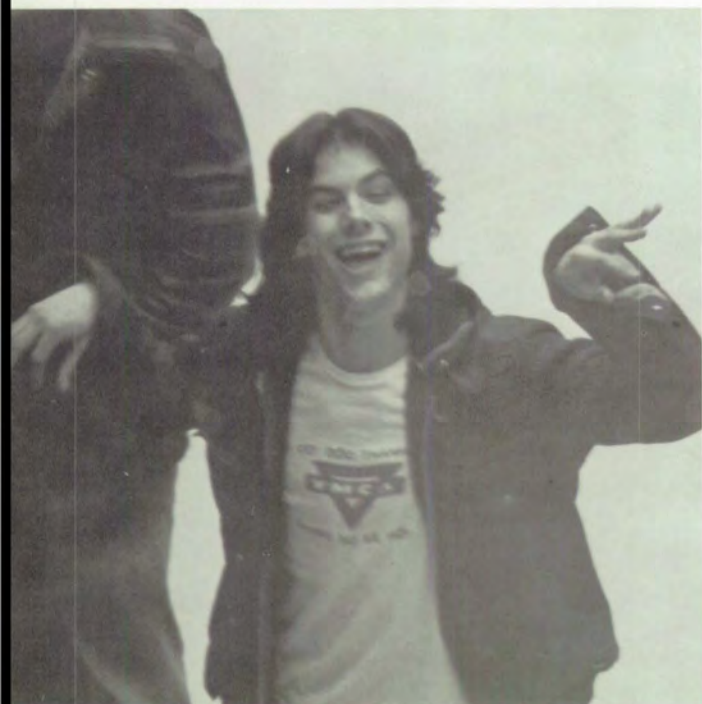

"It was the best of times,

it was the worst of times,

it was the age of wisdom,

it was the age of foolishness,

it was the epoch of belief,

it was the epoch
of incredulity,

it was the season of Light,

it was the season of Darkness,

it was the
spring of hope,

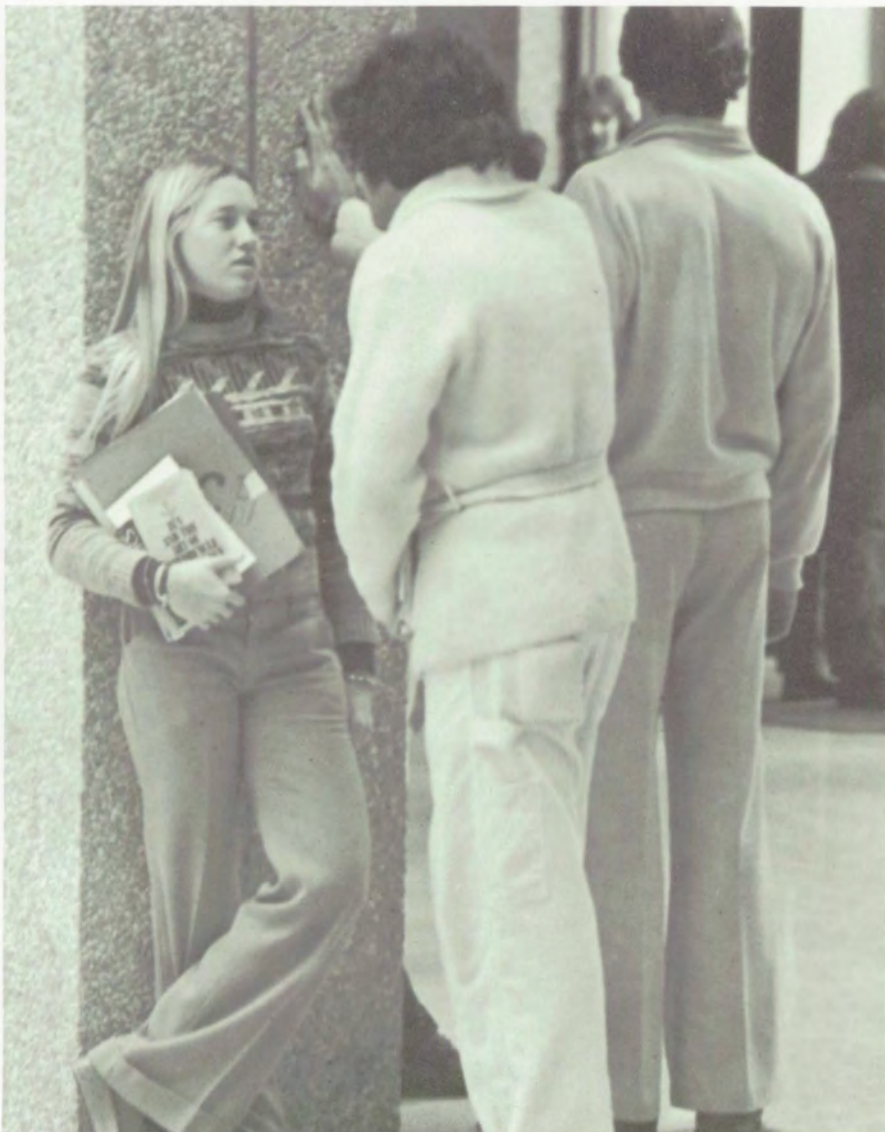

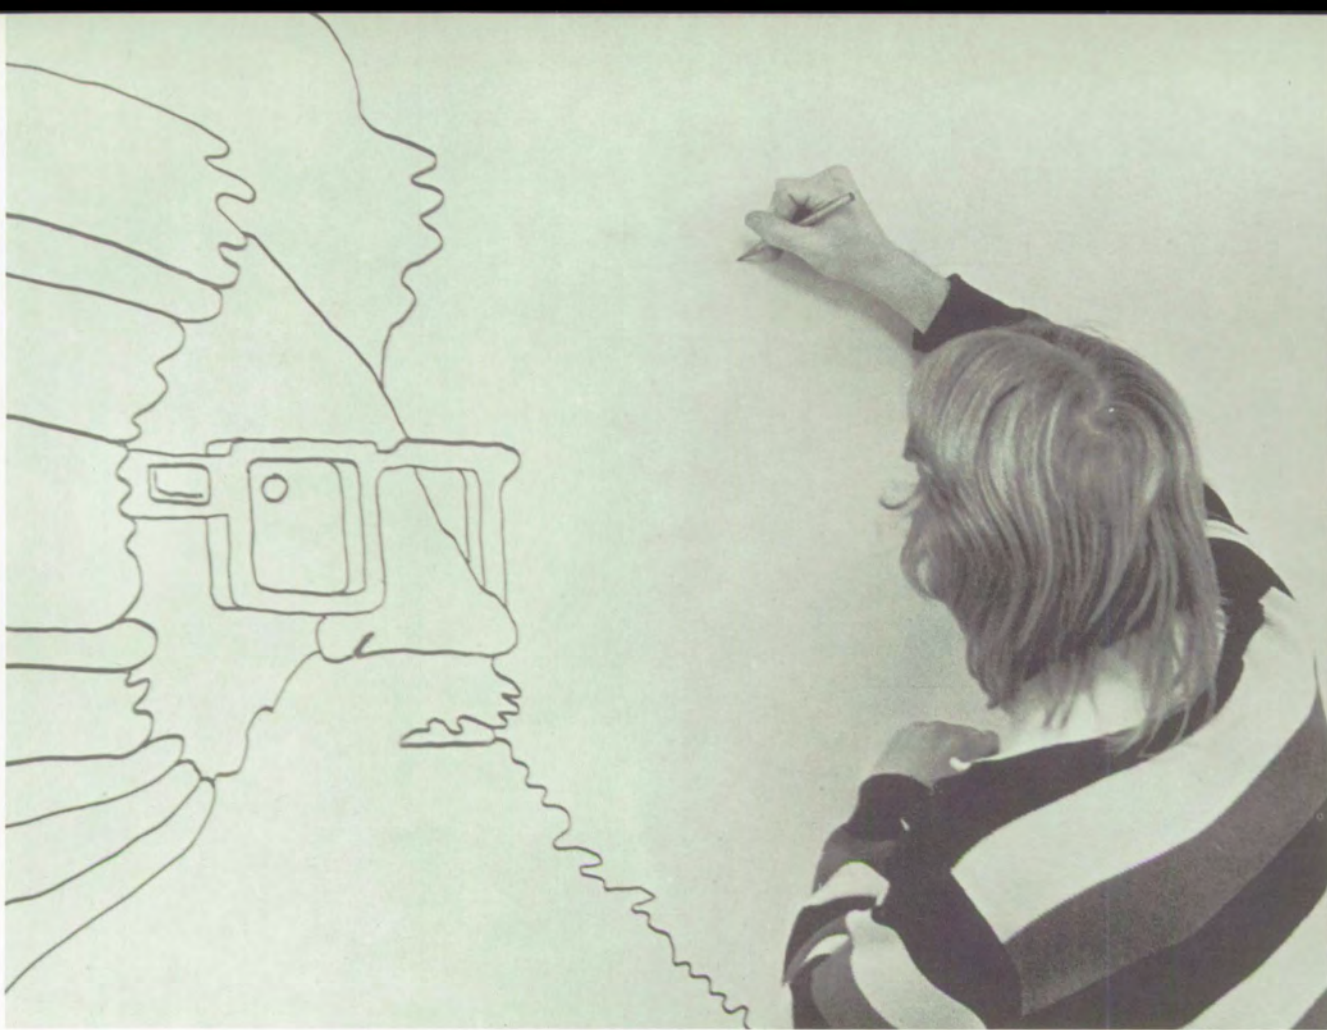

it was the winter of despair,

we had everything before us,

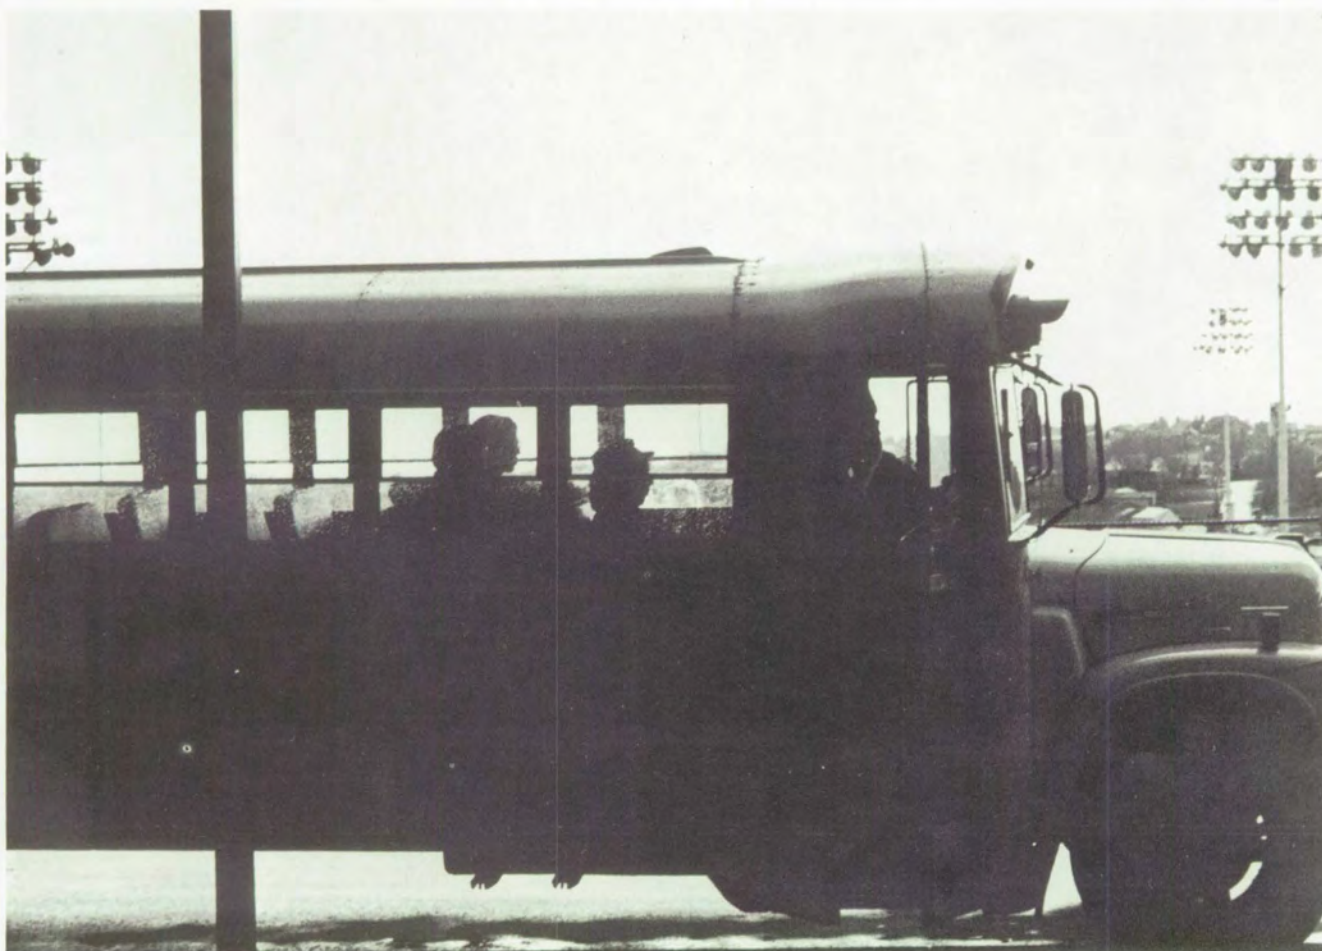

we had nothing before us,

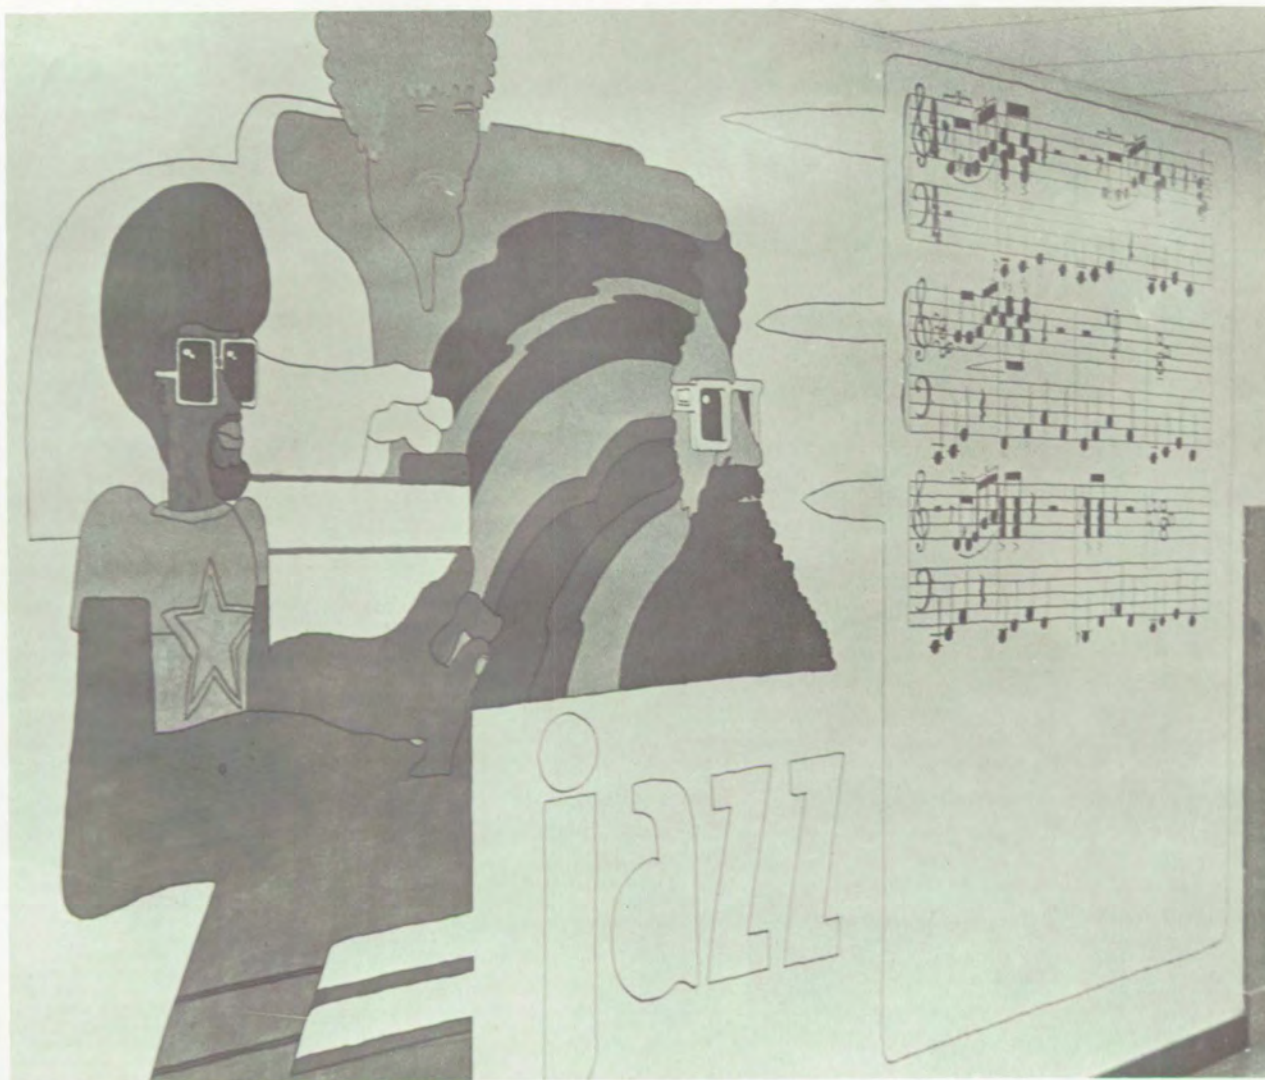

we were all going direct to Heaven,

we were all going
direct the other way . . ."
Charles Dickens
