Mount Lebanon High School
Mount Lebanon, Pennsylvania

And I will go on shining
Shining like brand new
I'll never look behind me
My troubles will be few
Supertramp

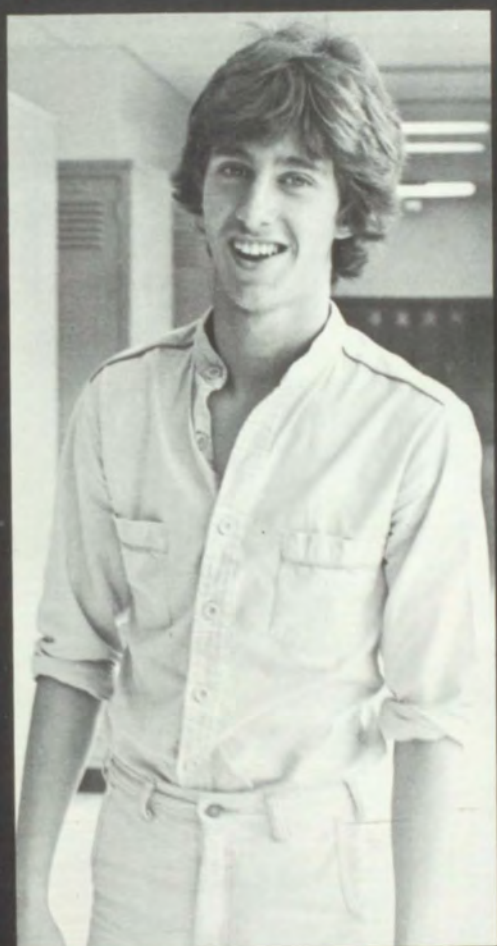

To live is the rarest
thing in the world.
Most people exist,
that is all.
Oscar Wilde

The best substitute for
experience is being sixteen.
Raymond Duncan

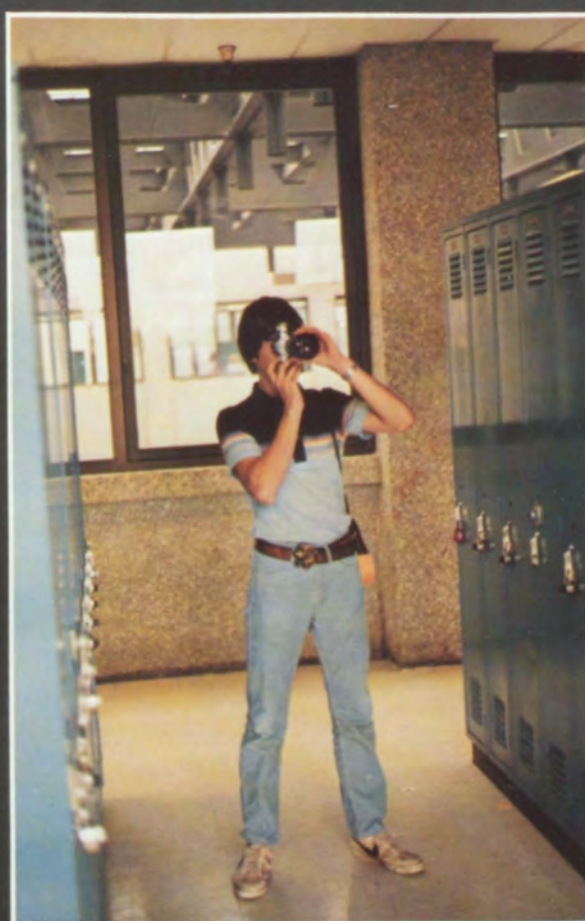

B.S.U.R.S.U.C.S.I.M.I.M.

be as you are
as you see
as i am i am
James Taylor

No man is an island,
entire of itself;
every man is a piece
of the continent,
a part of the main.
John Donne

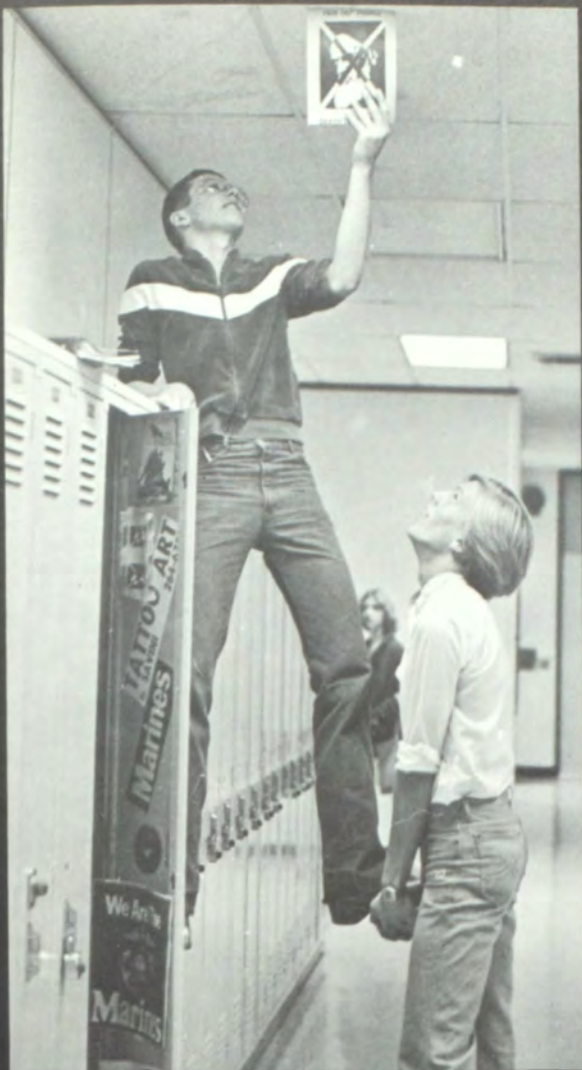

Talk of the devil, and his horns appear!
S.T. Coleridge

Art,
like morality,
consists in
drawing the line
somewhere.
G.K. Chesterton

If you do not
expect it,
you will not find
the unexpected,
for it is hard to find
and difficult.
Heraclitus

It is only with the heart
that one can see rightly;
what is essential
is invisible to the eye.
A. de Saint-Exupery
from *The Little Prince*

Procrastination — the art of
keeping up with yesterday.

Friends are a
reflection of
what we wish
ourselves to be

If happiness truly consisted
in physical ease
and freedom from care,
then the happiest individual
would not be either
a man or a woman;
it would be, I think,
an American cow.
(Cud be.)

William Lyon Phelps

Happiness is like a butterfly.
The more you chase it,
The more it will elude you.
But if you turn your
Attention to other things,
It comes and softly sits
On your shoulder.

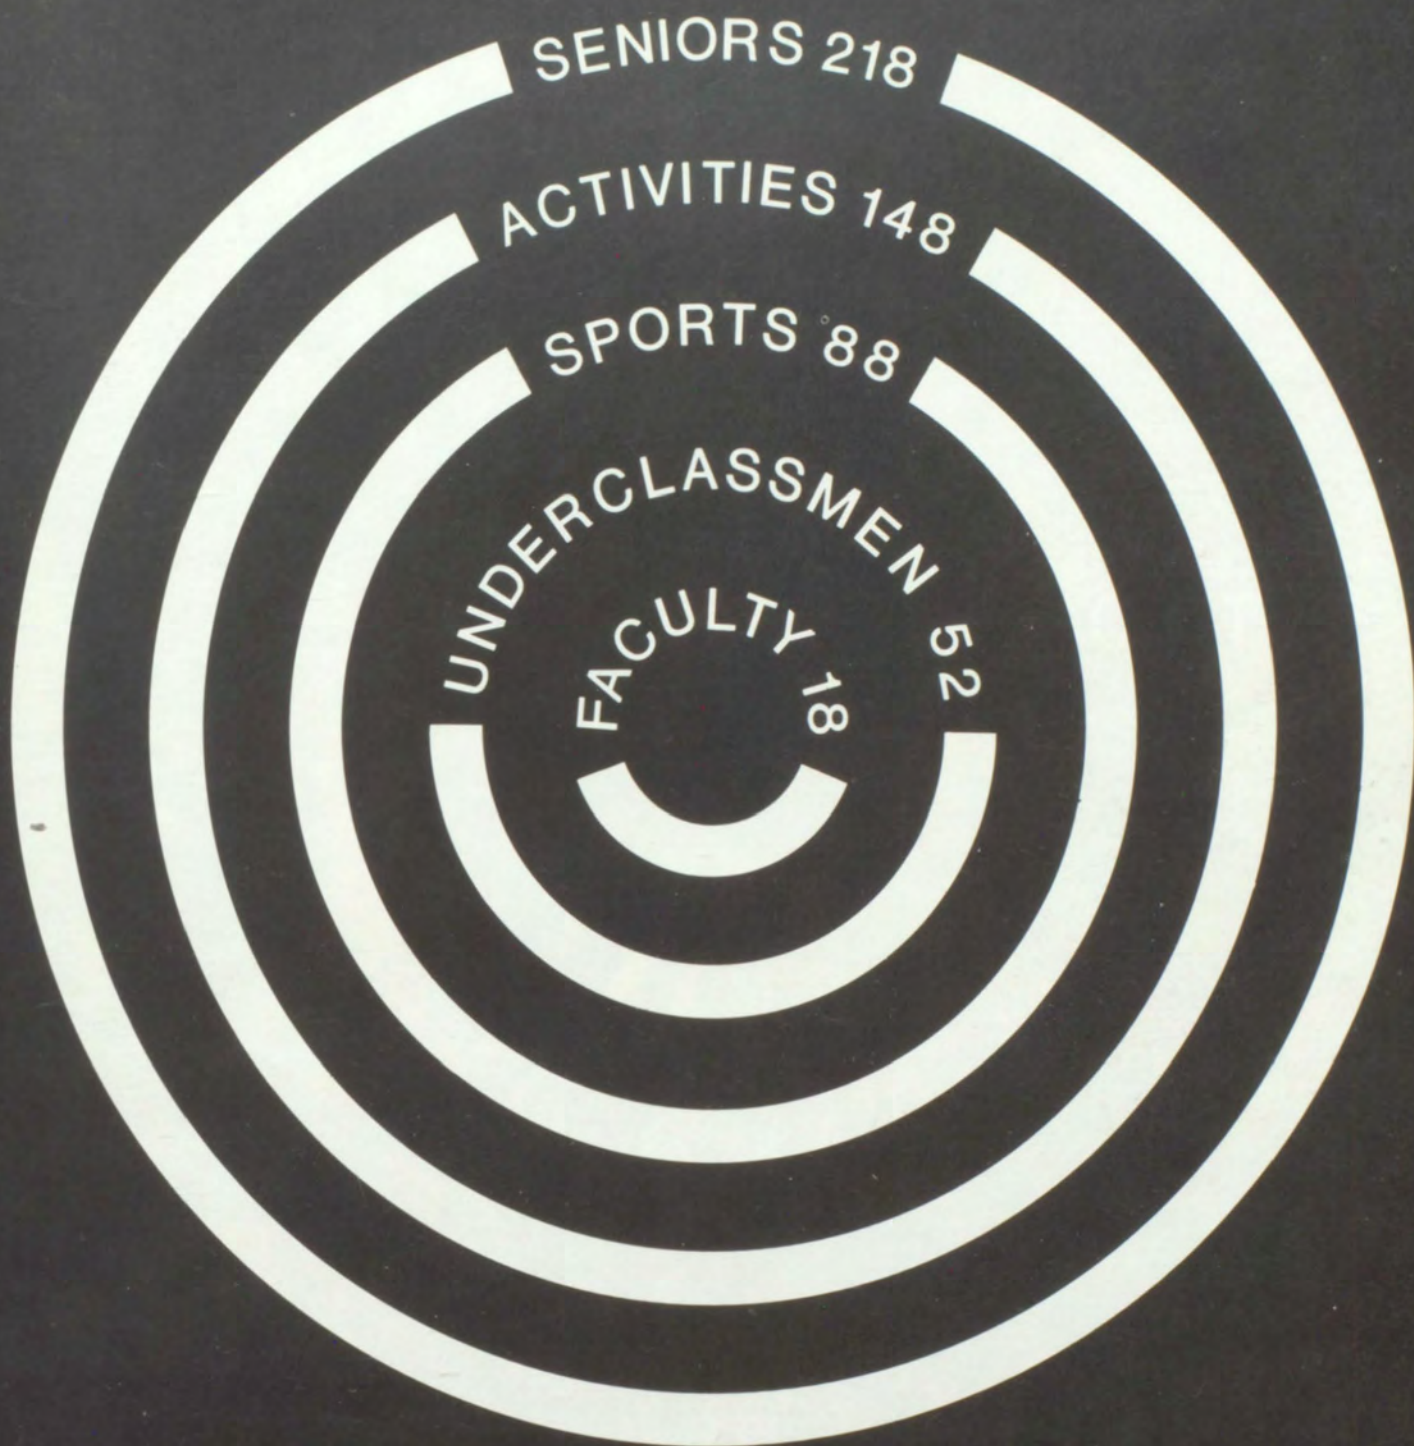

Dreams are
the touchstones
of our characters.

When day will break
And you will wake
And you will rake your hands
across your eyes and realize
That it's going to be a day
There is really no way
to say no to the morning
Yes it's going to be a day
There is really nothing
left to say but
Come on morning

experiment of living?*

A very gratifying and rewarding season is how head coach ART WALKER describes the 1980-81 W.P.I.A.L. Class AAAA champions. The general feeling of all the coaches is very good. It was a team that did whatever they had to do to reach their goal. Their great success resulted from an outstanding group of ballplayers. It was an unselfish team, as coach Walker said, in which everyone contributed. The team's backbone was the quality group of seniors led by captains Caesar Aldisert, Rich Aldisert, John Rees, and Tony Reda. A championship football team is not made by just a strong senior class, and this year the junior class contributed greatly. The outlook for next year is good.

The JV Football Team, after two early season setbacks, put together a strong finish by winning five of their last six football games. The 1980 season was highlighted by a consistently strong defensive effort, and an offensive unit that improved each week until the season's end. The JV defense, which surrendered only four touchdowns, was the team's backbone and hustle was its trademark. The offensive unit's most notable moment came in the final game when they scored two touchdowns in the last four minutes to win the game. According to Coach Gerhart for the J V football player, off-season preparation is the key that will open the door to a varsity position.

A conquered foe should

NINTH GRADE FOOTBALL

Gold Team; Row 1: B. Lohman, R. Sumner, J. Depp, B. Ofperman, P. Lynch, C. Neely, W. Bulseco, D. Cooper, H. Kapooc, R. Huckestein, G. Jaeger, P. King, Row 2: Coach Hobaugh, B. Kraus, D. Spicuzza, S. The 1980 ninth-grade gold football team got off to a good start but was plagued by injuries to some of their key players during their first regular season game. Throughout the rest of the season the defense stood out, but was also complimented by a good offensive running attack. What the running game lacked in size was made up for in quickness. In general the gold team improved greatly by the season's end.

Blue Team; Row 1: R. Henninger, D. Henderson, J. Banaszak, B. Gordon, B. DeSilva, J. Clear, C. Griffin, Row 2: C. Petrocelli, S. Finke, A. Rutkowski, M. Schnurr, T. Oxenreiter, D. Custer, M. Flaherty, C. Powell.

The 1980 ninth-grade blue team had good size compared to the gold team. They also threw the ball well, and just as the gold team, were quick. The blue gave an excellent defensive performance and highlighted their game with a superb kicking team which is rare for ballplayers at this level. All the players from both teams have a good future in store if physical development is worked on.

The 1980-81 Varsity Soccer team had a record of 27-3-3. A 9-1-2 record was good enough to win their second straight WPIAL Section IV title. The team also won the E.I.C.O. tournament and the Mt. Lebanon Invitational tournament. After finishing as WPIAL runners-up the team advanced into the state playoffs where they lost to State College in the third overtime period. Outstanding players included Ted Perri and Rob Wilcher, who were named to the Penna. State Soccer Coaches All-State team, and also Dave Torris, who was given honorable mention. Chris Peckich lead the offense and became Mt. Lebanon's all-time scoring leader by scoring 18 goals this season. Phil Cerminaro tied the record with most goals in a game. To lead the defense, Dave Papilia recorded 18 shut-outs. Co-Captains Ted Perri, John Torris, and Kent Brightman provided the senior leadership for the team. These three, along with six other seniors leaving this season, will be hard to replace next year. However, with six lettermen returning, Coach Wilcher looks forward to another super and promising season!

The 1980-81 JV Soccer team with Coach Ron Wilcher at the helm finished with a fine 13-4-5 record. All of the boys played hard and worked well as a team unit. Many of them are considered strong candidates for varsity positions next year. The ninth-grade team also posted a fine record of 8-2. The team excelled under the direction of first year coach Rebecca Schneider. The team showed promise of a good future for soccer at Mt. Lebanon High School.

As a second year team, the girls' soccer team did exceptionally well. Lead by coaches Mary Gray and Kerry Solamon, the girls advanced all the way to the WPIAL playoffs and then took the WPIAL Championship. The team was lead by Lori Viaropulos who was named Most Valuable Player. Other outstanding performances were recorded by high scorers Julie Agar, Alli Molinda, and Colleen Fox. Both coaches feel that the future of girls' soccer looks great, with the caliber of play exhibited this season.

The Girls' Tennis Team had a good season as they turned in a record of 12 wins and 2 losses. Their two losses came against Upper St. Clair, but were close right down until the end. The team, coached by Chuck Stull, came in second in their section. The PIAA Doubles Championships (States) were a challenge that the doubles teams of Michele Fabrega and Cathy O'Hara and Cheryl Cook and Sherri Lewis could handle. Michele and Cathy placed third and Cheryl and Sherri placed right behind them with a fourth place finish. This was a remarkable showing because this was a year of rebuilding, especially for the doubles. With five graduating seniors leaving the team Coach Stull looks to the returning letter winners to fill the void. The returning players include Cheryl Cook, Cathy O'Hara, Polly Gray, Robyn Stern, and Ronna Clements. The success of next year's team will depend upon the work and improvement of these and some promising underclassmen.

GIRLS' GOLF

Super! That describes the Girls' Golf team, which had a fine showing of six wins and two losses this season. Spurred on by three 2nd year letter winners, Karen Drambel, Macdara McGrath, and Mela McGrath, the team lost only twice, both times to Upper St. Clair. Led by coaches Dan Capanna and Therese Renaud, all the girls excelled. Stacie McBeth, Darla Mikus, and Nancy Russell won first year letters and Macdara McGrath golfed her way to the State Semi-Finals.

BOYS' GOLF

With four 2nd year letter winners and two 1st year winners, the Boys' Golf team had a superb season, running their record to 10-3. Their losses included two to Upper St. Clair, and a squeaker to Bethel, in which they lost by a slim 5-6. Coached by Dan Capanna the high point for the team was winning the Western Conference Golf Tournament. Individual honors were won by Mark Anderson, John Mascaro, Flannan McGrath, Jeff Ostrowsky, and Ken Roche. The team can look forward to another exciting season next year with four of the five starters returning.

The Boys' Cross Country team, often seen running through the streets of Mt. Lebanon, ran to a 10-3 record with outstanding performances by 4th year letter man Dave Martinelli, 3rd year lettermen Mickey Ritarchik, and 2nd year lettermen Bill Kracklauer and John Wright. Dave Martinelli set a school record on the home course for 3 miles and placed second in the Tri-State Championships. Team Captain John Wright placed 3rd in the Tri-State Coaches Championship and Peter Fleming received first place in the Northern Invitational Junior Varsity Race. The team went to the W.P.I.A.L. Championship Meet, in which they ran a strong 4th. Ron Shreiner and Ken Wentzel coached the boys to an all-around fine season, and look forward to another great team next year.

GIRLS' VOLLEYBALL

The Girls' Volleyball team had a season of rebuilding, while posting a 5-9 record. This was a remarkable improvement from last year's 0-14 record. The season was marked with some outstanding wins, which can be attributed to the fine coaching of Melissa Moore and the playing ability of the seniors who will be missed next year. Captains Sue Brody and Della McDonald inspired the young team and Chris Gustafson's spiking ability went unmatched. The team was pleased with their improved record and feel this is just the beginning of a competitive Girls' Volleyball program at Mt. Lebanon.

Team Championship. Meg Mangan set a record for the three mile home course and Lisa Burnett and Debbie Lon became third year letter winners. Debbie also placed third in the Tri-State Championship, which is a significant and impressive achievement. Mr. Schreiner and Mr. Wentzel anxiously await next season and the talent they will have to work with!

Other seniors on this years team included Joe Bradley, Kristin Friebis, Sandy Kiernan, Keith Overstreet, Pam Sherline, and Mike Solof. At the season's halfway point, Mt. Lebanon posted a winning record, yet post-season play was still undetermined. At this time, almost all the "A" teams's members had shot a perfect target of 100 points at least once. The team was coached by Mr. Strobel.

The 1980-81 Varsity Blue Devils Basketball got off to a slow start this year. Head Coach Dick Black pointed out that injuries, and starters who were finishing out the 1980 championship football season, hindered the start of the season. Now the team is in second place and very much in contention for the number one spot. With the help of seniors Mike DeCello, Mike Lynch, Mike Faherty, Bones Blair, and Richard Aldisert, this team should be coming up on their way to a championship season. Final results will appear in the supplement.

The Girls' Basketball team has had a spectacular season! After losing all five starting senior players from last year, the team has accumulated a record of 21-2 surpassing last year's record. It was thought that this year would be a rebuilding one but under the direction of Coach Ashburner the girls have been tough contenders and at this time are waiting to find out their opponent for the WPIAL playoffs. Led by the five seniors, Georgia Pietsch, Laurel Deglau, Bernadette Easler, Sue Feeney, and Amy King, the team lost only to Baldwin and beat their formidable opponent Bethel Park. The girls worked extremely hard throughout the season, practicing six days a week and it has obviously paid off, as we find ourselves rooting the team on to the WPIAL playoffs.

HOLIDAY SHOW

The Holiday Show, an all school production, whose proceeds went to charity, was performed before a sold out crowd at the Little Theater on December 15. The performance featured the hilarious antics of Dave Polsky, the country and western singing of Helen Cox, and the humor and "magic" of Kirk Botula. The show was highlighted, however, by the hosts, Dan Azurin and Pat Coyne (whose tuxedos would have made any prom-goer jealous), and the high level of comedy they displayed. It was a great night for all, as everyone left with a smile on his or her face and the regret of not trying out for the show.

DRACULA

Bram Stoker's thriller focusing on the Transylvanian count was the production by Mt. Lebanon's 1981 Theater Company. The play, performed on December 3, 4, 5, and 6, showcased two casts: one starring Rusty Steving as the infamous vampire with Scott Hollander and Linda Goldman, while the other featured Harvey Coblin, along with Marc Evans and Amy Richards. The players took a backseat in this performance however, for the stage effects were unbelievable. A two ton hydraulic lift causing a coffin to rise from the ground and Count's glowing red eyes were just a few of the truly special effects which mystified the audience and awed every person who saw the performance.

Romance at short notice
was her speciality.

The colors of my life
 Are bountiful and bold,
 The purple glow of indigo,

 The splendor of a sunrise,
 The dazzle of a flame,
 The glory of a rainbow
 I'd put 'em all to shame.

Of Missing Persons

They're walking slow in Houston
Speechless in D.C.
There's no way I could tell you
What he meant to me

Your mother's a survivor
She'll do what must be done
Her children will revive her
And help her see the sun
She almost knew that unison
But the singing stopped too soon
Now she shares the silence
With a man up in the moon

To speak of missing persons
Tonight there's only one
And we all carry with us what the man's begun

And you can sing this song
On July the Fourth
In the sunny south and the frozen north
It's a day of loss, it's your day of birth
Does it take a death to learn what a life is worth?

Sing of missing persons
Tonight there's only one
But he's where you can find him when it's said and done

And we will sing this song
On July the Fourth
From the sunny south and the frozen north
This will always be your day of birth
May you always see what your life is worth

THE SOUND OF MUSIC

On February 13 and 14, 1981, Mt. Lebanon High School was proud to present the Rogers and Hammerstein musical, THE SOUND OF MUSIC. The all-school musical was a success due to the efforts of everyone involved. Those on stage, in the orchestra pit, and behind the scenes are the ones who deserved the standing ovations. The sets which were constructed by the technical crew under the guidance of Mr. Lutz were realistic. Mr. Flynn and Miss Good directed the cast in a delightful performance.

CHARLEY'S AUNT

On March 26-27, 1981, Theatre Company presented Charley's Aunt, the story of an imposter chaperone (a male acting as a woman). Directed by Cynthia Good, the cast dazzled the audience with clever staging.

The cast from left to right: Row 1: Kathleen O'Rourke, Linda Ryan, Amy Richards, Ellen Mendlow. Row 2: Mike Egan, Marc Evans, Rusty Steving, Harvey Coblin, David Polsky, Kirk Botula.

This year, the varsity Blue Devils were comprised of a young, inexperienced group of players. The early part of the exhibition season was devoted to matching the girls' skills with selected positions. The team posted a 7-4 exhibition record and currently own a 9-1 league record with 5 games left to be played. The team will miss the strong leadership and skill provided by an excellent group of seniors which include: N. Mirabelli, G. Pietsch, A. King, S. Brody, and P. Milie. They look forward to a promising 1982 season with the return of several underclassmen and a promising group of j.v. players.

The 1981 Blue Devil Varsity Baseball Team under Coach Simmons, had a 9-1 record with 4 games left in the season. Seniors Mike Lynch, Paul Romig, Rob Simon, and Bill Werner, provided heavy hitting while Lynch, Simon, and Werner, along with Jeff Linkowski, were among the defensive stars. The Lebo pitching staff was led by seniors Mike Aloe, Rob Celedoni, and Ken Roach. Juniors Chris Jelic, Mark Celedoni, Ralph Serafino, Kirk Breen, and Paul Rinalli will provide a strong nucleus for next year's team.

Sophomores Stu Setcauage, Bill Garvey, and Steve Graff, along with freshmen Paul Katshir and Brian Lohman, led the offense while Bob Stocker led the defense. Stalwart sophomore pitcher Mike Nowak supported by freshmen Mark Murphy and Brian Garlick sparked the team to 8 consecutive victories.

The 1981 Girls' Track Team ended another successful year with many impressive victories. The coaches agree that the girls displayed marked improvement throughout the season. The team's hard work and skills were evident in all events including the shuttle hurdle relay team which finished strong in the W.P.I.A.L. relays. Ann Borik, the team standout, went to States to compete in the discus and javelin and also set school records in these throwing events. Other records were set by the mile relay team of Denise Kaczorowski, Debbie Lon, Nadine Rosile, and Meg Mangan. Near the close of the season the girls' team, combined with the boys' won the overall championship at the Baldwin Invitational. The team awaits next year's season and hopes to add to their winning streak.

The 1981 Boys' Tennis Team finished their season with a 17-0 record. The perfect record reflects the excellence of our tennis team this past season. The boys displayed their ability at the close of the season, when they devastated Churchill, 4-1, at WPIAL Championships, on June 1, 1981. This win over Churchill allowed the team to return with the first place title for the fifth consecutive year. The strong Mount Lebanon team has over thirty active members. Out of these, seven of the members played strong matches at the championship: Rob Eppelsheimer, Dale Garlick, Jack Kalla, Jack Keefe, Tom Mercer, Erik Rydstrom, and Jeff Spier. Congratulations on a job well done!

VARSITY SAILING TEAM

Perhaps most successful of Mt. Lebanon's athletic teams this year was the Varsity Sailing team. The sailors, under the leadership of Coach Jim Mooney, captured the WPIAL, State, and National Championships this seas. Led by skipper and tactician Scott Hollander, the squad finished at least two minutes ahead of their closest opponent. In their closest contest, the Wisconsin Dairy Cup, the margin of victory was due to Dan Krauth's deft spinnaker work as he "popped the chute" in less than seven seconds. The team attributed their success, particularly the spinnaker, to Coach Mooney. Dave Anderson best reflected his teammates feelings for him as he said, "The Big Moon taught us everything we know." Congratulations to the team on their first, final and most fantastic season.
