Marathon

Join us now, we're on a marathon
We're always dancing when the music plays
Join us now, we're on a marathon
Dancing, dancing through the nights and days

We must dance because the Twenties roar
The Twenties roar because there's bathtub gin
Charles A. Lindbergh, tons of confetti
Dempsey-Tunney, Sacco and Vanzetti
Black, black Monday and the market drops
But we keep on dancing, dancing, we can't stop

We must dance because the Thirties scream
The Thirties scream because the Horsemen ride
Breadlines, shanty towns, Frankenstein's bride
Adolf Hitler and the Siegfried follies
Joseph Stalin and a bag full of jollies
Call your broker and buy marzipan
While we keep on dancing, dancing on and on

We must dance because the Forties burn
The Forties burn because the trumpets blare
The Yanks are coming, coming over there
Auschwitz, Edelweiss, Drang und Sturm
Manhattan Project, Robert Oppenheim
God makes mushrooms just as God makes time
Peace is sweet, man, like a lollipop
So we keep on dancing, dancing, we won't stop

We must dance because the Fifties zing
The Fifties zing because the Sixties swing
And the Seventies flash and the Eighties bang
And the Nineties whimper and the century hangs
So we keep on dancing, dancing, we can't rest
Marathon, marathon
Mara, mara, marathon!

floats through its wide dominion.

Cheering their hearts out . . . Blue Devils and Varsity

Row 1: (Captain) Donna Wagner, Laura Botula, Karen Vuono, Janet Furgiuelle, Josie Bielle. Row 2: Mary Seaton, (Co-Captain) Heather Sutherland, Megan Bielle, Judy Furgiuelle, Carrie Rotheram, Diane Hammil, Katie Simpson, Helen Langley, Amy Seaton.

The twelve girls on the Varsity Cheerleading squad have the longest season of any other sport. They started practicing six hours a day in summer practice, and now they practice twice a week during the school year. They spend several hours a week on favors, posters, new cheers, and competition practice, and what a great result! The squad is planning to enter a cheerleading competition this Spring. The Senior girls were Donna Wagner, Laura Botula, Helen Langley, and Heather Sutherland.

This year's dynamic duo were Amy and Mary Seaton. Not only were their uniforms alike, but so were their faces . . . hair . . . smiles . . . SHADOWS . . . They set aside so much of their spare time to paint about 50 individual posters for starting football and soccer team members: "One of a Kline." Everyone at Mt. Lebanon owes them a debt of thanks for having so much school spirit.

Boys' Varsity Football

Although the 1982 football season was disappointing, the team had its good points. After eleven hard-fought games the Blue Devils came up with a 3-7-2 record. As Head Coach Art Walker put it, "This team has worked hard, if not harder than the two previous teams." Some of the defensive standouts were seniors Paul Lutka and Steve Kline who were chosen for the All Press South Team. Mt. Lebanon was known throughout the conference as a hard-nosed defensive team. On the other side of the ball the offense was young. Senior standouts Al Agostinelli and Buddy Boyda were victims of early season injuries which kept them out for the year. The Blue Devils prospered from their special teams. Next year's team will provide an experienced strong offense along with a hard-nosed defense. Senior members were Al Agostinelli, Buddy Boyda, Jay Breen, Ron Bradley, Jeff Cuban, Mike Donnelly, Pat Golden, Bob Grady, J. J. King, Steve Kline, Curt Kochman, Dave Lindsay, Paul Lutka, Doug McMillian, Len Murgi, Jack O'Malley, Mark Rippe, Mike Schaal, John Spicuzza, Jim Stevenson, Bob Stocker and Doug McAuley.

Led by team captains Jim Friday and Mark Held, the Boys' Varsity Soccer Team captured the W.P.I.A.L. title and became the W.P.I.A.L. champs for the second year in a row. This was the first year that the Boys' and Girls' Swimming teams worked as a combined unit under the direction of a coordinator, Joe Krall. There were a lot of new faces, especially a new team of divers. The girl's had the majority of the team returning and should see a lot of improvements with more W.P.I.A.L. qualifiers and state level entries. The Boy's have a strong nucleus to make it a successful year also. It is a year for individuals to shine.

The TERRIBLE TEN was a group of eleven Junior boys who encouraged our Boys' Basketball team on to victory. They dressed as flashers, beach bums, GQ men, and twice painted their faces half blue and half gold. They drew in fans from the streets, and Mt. Lebanon thanks them for their support.

Holiday Show

On December 14, 1982, a small group of Mt. Lebanon's finest performers entertained the student body and, at the same time, raised money for the Unemployed Steel Workers Fund. The performers secured over 1,500 dollars, and provided the audience with one of the best Holiday Shows ever. Some of the performers were long standing friends of the Holiday Show. Comedians Pat Anglin and Paul B. Anderson, with some new and old material, and song writer-singer Helen Cox who performed two of her songs, are the old favorites who returned for another exciting year. We witnessed the rise of some new stars, such as, the musical group Back Streets, the actress Kelly Panczyk, the original songs of Jeff Fallon, the radical songs of Paul A. Anderson and his ballad of Study Halls, and the giant baby in diapers — Steve Kline. Like most Mt. Lebanon events, this year's Holiday Show proved very successful.

The Hobbit

November 18th and 19th of this school year proved to be two very rewarding days. The Fine Arts theater program produced the very challenging play, *The Hobbit*. This fantasy-like play is a "first" for the theater department, and thus, a new and success experience. The final product of any enjoyable play results from the combined efforts of four major areas: technical, musical, directing, and acting. One scene, in particular, which deserved a lot of recognition was the fight scene in which everyone was involved. The action was exasperating. The main contributors to this play were:

Thorn — Kristen Lutz
Hobbit — Paul B. Anderson
Gandol — Pat Anglin
Garlom — Kelly Panzyck
Others: Leslie Hollander
Steve Morrison
Jackie Cappesi
Beth Rascoe
Colleen Dogherty
Donna Bartlett

Day Times

Our hardworking theatre teachers, Mrs. Schreiner and Mr. Rosen, get a break twice a year when the unit for daytime productions begins in theatre company. The thirty to forty minute daytimes are student-selected, student-acted, and student-directed. First semester productions provided a good sample of the variety of different types of theatre ranging from abstract to comic to serious drama. Included also was an original production called *IT'S NOT THAT EASY* based on the problems surrounding run-aways. Sue Stull directed members of fifth period theatre company: Gwen Zeichner, Kim Kusluch, Eileen Houghton, Jill Buchanan, and Ronnie Nowacki. Denice Weinberg directed Laurel Maloney and Colette Matzzie in *TELL ME ANOTHER STORY*, an abstract presentation of communication between a mother and her daughter. The cast of Thornton Wilder's *INFANCY* included Stephanie D'Imperio, Kate Kudzma, Patricia Hackett, Becky Hall as a moustached policeman, and Dana Menosky and Lisa Gurne as impish babies. In *THE STAR SPANGLED GIRL* by Neil Simon, Paul B. Anderson and Pat Anglin portray two writers who both fall in love with a patriotic southern girl, played by Sarah Erwin. Another comedy, *DON'T EVER GROW UP*, featured Neil Gordon almost suffocating in a closet. Joyce Froggatt, director; cast: Melina Antipas, Beth Ann Risdon, Lynn Revoir, David Neal, Jeff Cuban, Nicole Wilkenson, Kirsten Fisher, Martin Bluestein, Joe McDonough, Neal Gordon, and Megan Holtz. Jennifer Brennan directed a Mexican cook Greg Barklage, a German happy homemaker Sharon Bober, and a funky Chinese chef Coleen Dougherty in *MILLION DOLLAR RECIPE*. Stephanie Ross, Cathie Wenk, and Mindi Meyers play three stewardesses who are all engaged to the same man characterized by Steve Morrison in *BOEING BOEING*. Darla Duffy and Beth Pasco are characters who keep the house straightened out between flights. *THE PRIME OF MISS JEAN BRODIE* featured Jill Kornberg as Miss Brodie, Jodi Eisen as the principal of a girls school, and Jennifer Richards, Terry Berg, Lori Lesko, and Donna Bartlett as students. The actresses Jackie Capecci, Carla Ponzio, Kelley Panczyk, Carey Strelcik, and Dorothy Donnelly reveal the gripping story of two elderly sisters fifty years after a murder in *EARLY FROST*. Jenifer Cup, Leslie Hollander, Kris Lutz, and Debbie Soltman star in *THE EFFECT OF GAMMA RAYS ON MAN IN THE MOON MARIGOLDS*, a drama which examines the relationships between an insecure mother and her two high school-age daughters. In *MEDAL OF HONOR RAG* Andre Brown plays a Vietnam veteran and Susan Lauffer a psychiatrist who tries to help him in this true story.

Ralph Waldo Emerson

Life is like a journey
taken on a train
with a pair of travelers

or I may sit elsewhere never knowing you
But since fate has marked me to sit by your side
Let's be pleasant travelers —
It's so short a ride.
