REMEMBER

Remember me when I am gone away,
Gone far away into the silent land;
When you can no more hold me by the hand,
Nor I half turn to go yet turning stay,
Remember me when no more, day by day,
You tell me of our future that you planned:

Only remember me; you understand
It will be late to counsel then or pray.
Yet if you should forget me for a while
And afterwards remember, do not grieve:
For if the darkness and corruption leave
A vestige of the thoughts that once I had,
Better by far you should forget and smile
Than that you should remember and be sad.

This year's Blue Devils were seniors Arlan Hess and Sarah Wakelin. Their signs and skirts revealed the tremendous pride taken in their work. Arlan and Sarah led the sideline action during football season and cheered from the stands at all home soccer games. Although attempts to do the wave failed, their conscientious support and effort was appreciated by all. This year was not only a success for the football and soccer teams, but for the team of Arlan and Sarah as well.

For no special reason.

Just the only one you've

And it's coming ready or
