PLATE 1. 1871. 72

Mount Lebanon High School
Mount Lebanon, Pennsylvania

Volume 52
1982

Wonders are many on earth, and the greatest of
these Is man . . .
Sophocles

Happiness is not
perfected
until it is shared.
Jane Porter

Of all the things which wisdom
provides to make life entirely
happy, much the greatest is the
possession of friendship.
Epicurus

Forever adored
I shall always be!
T.C. Calhoun

How much better it is
to get wisdom
than gold!
Solomon

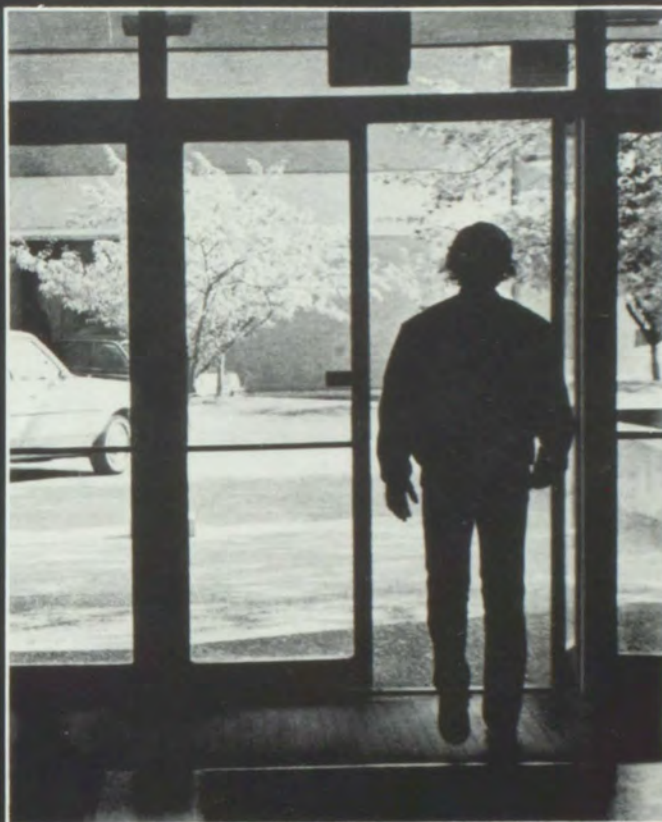

I have the simplest tastes. I am
always satisfied with the best.
Oscar Wilde

... That best portion of a good man's
life, His little, nameless,
unremembered acts Of kindness and
of love.
William Wordsworth

'Tis always morning
somewhere.
Longfellow

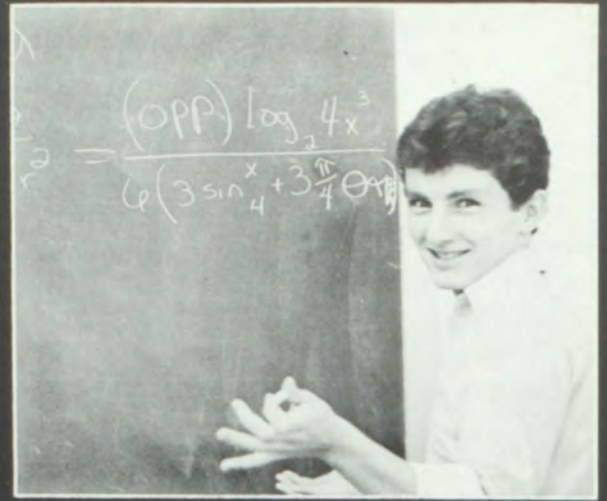

Hitch your wagon to a star.
Emerson

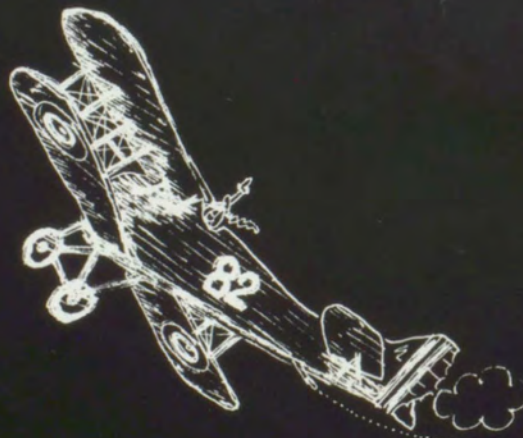

There is a past which is gone
forever; but there is a future which is
still our own.
Edward Young

There is no man, no
woman, so small but that
they cannot make their life
great by high endeavor.
Carlyle

LEBO

I like the man who
faces what he must
With step
triumphant and with
heart of cheer.

How good is man's
life, the mere living!
How fit to employ
All the heart and the
soul and the senses
forever in joy!
Robert Browning

... this is not the end. It is not
even the beginning of the end.
But it is, perhaps, the end of
the beginning.
Sir Winston Churchill

Faculty

We, the students of Mt. Lebanon High School, are very proud of our staff and especially our teachers. We know that their backgrounds, devotions, and abilities as educators are exceptional but it is also interesting to know a little more about them outside of the classroom. Isn't it funny to know that there are so many married couples in our school like Mr. and Mrs. Morreale, Mr. and Mrs. Zachur, Mr. and Mrs. Salvo, and Mr. and Mrs. Scheiner. Other interesting aspects of our teachers are their hobbies and interests: Mr. Zacur carves figures out of apples, Mr. Patton kayaks and canoes, Mrs. Martinez builds dollhouses, Mr. Saunders collects antiques, Mrs. Little needlepoints, and, believe it or not, Mr. Bianco engraves whale's teeth (scrimshaw). MT. LEBANON TEACHERS, YOU ARE SPECIAL!!!

We will all miss our principal Elizabeth Evans who retired in January of this year. Miss Evans has been with the Mt. Lebanon School District as an educator and administrator for thirty-two years. She taught English at Mellon Junior High for five years, then taught A P English at the high school. Miss Evans then designed a humanities program, became secondary curriculum coordinator and finally, in January 1976, principal. She is the state board chairperson of the Middle States Commission of Secondary Schools and after six months of travel and relaxation will continue to associate with the commission and take part in activities not related to education. Miss Evans loves the people and the community of Mt. Lebanon and will continue to serve them both. Our respect, admiration, and sincere thanks to Miss Evans. May your life continue to be rewarding and fulfilling.

IN
MEMORY
OF
Edmund S. Ashburner

Death, Be Not Proud

Death, be not proud, though some have called thee
Mighty and dreadful, for thou art not so;
For those whom thou thin'st thou dost overthrow
Die not, poor Death; nor yet canst thou kill me.
From rest and sleep, which but thy picture be,
Much pleasure; then from thee much more must flow;
And soonest our best men with thee do go —
Rest of their bones and souls' delivery!
Thou'rt slave to fate, chance, kings, and desperate men,
And dost with poison war, and sickness dwell;
And poppy or charms can make us sleep as well
And better than thy stroke. Why swell'st thou then?
One short sleep past, we wake eternally,
and Death shall be no more: Death, thou shalt die.

John Donne

Imagine Mount Lebanon High School without any activities. Pretty dull, huh? Our activities are a cross-section of the varied interests in Lebo. In the entertainment department, Mr. McIlroy lead the band through another fine season and hosted eight great bands in a festival. Concert Choir and Triple Trio graced many an ear at their concert. Dance Company danced their way into our hearts before Christmas break. Other entertainment includes the Fine Arts Festival; the Stage Band, Symphonic Band, and Chamber and Symphonic Orchestra concerts; the all-school musical; and the school picnic. Clubs have also contributed tremendously to student life. Student Environmental Coalition hosted a Vegetarian Dinner and kept the recycling business going while the Outdoors Club went outdoors (camping), the Chess Club played chess, The Pep Club cheered, the Computer Squad computed, the German Dancers danced, and the Latin Club had, well, parties. And we all heard the Announcement Squad every morning, didn't we? Funny how the media got attention this year: **The Unicorn** disclaimed those artsy posters (which really gave them good publicity) and **The Devil's Advocate** made little bloopers misquoting the Student Congress candidates. Which brings to mind all that Student Congress accomplished: Just a Dance, Just Another Dance, The Holiday Show, the reinstatement of candy sales. Four AFS students (Brazil's Lilian Bender, West Germany's Andreas Hartwig, Denmark's Soren Poulsen, and Italy's Madelena Vienna) have taught us much about their cultures and our own. Let's forget the exodus the sixth floor cafe made to the fourth floor to eat when the elevator broke, but remember that if we ever felt depressed or upset, we could always console ourselves by indulging in a doughnut, right?

Sometimes I wonder where I've
been,
Who I am,
Do I fit in.
Make believin' is hard alone
Out here on my own.
from "Fame"

When I think back
 On all the crap I learned in high school
 It's a wonder
 I can think at all
 And though my lack of education
 Hasn't hurt me none
 I can read the writing on the wall.

THE GUIDING LIGHTERS

Floor: DIANE. Row 1: Amanda, Vanessa, Henry, Ed Bauer, Katie, Hillary, Ross, Carrie, Gracie, Nola, Mr. McCord (HIM), The Great Alan Spaulding. Row 2: Floyd, Leslie Ann, Evie, Bert, Morgan, Jackie, Hope, Phillip Marler Spaulding.

A long, long, long, time ago in a town in the United States called Springfield, a story emerged. It is a story about a family named Bauer and the people who touched their lives. The "guiding lighters" faithfully follow the lives of the people in Springfield. The Bauer family is headed by the bubbling Bert who helps in solving everyone's problems. Bert and her husband had two sons named Michael and Ed. Bert's husband, who was missing for years, had remarried and had a daughter named Hillery while still married to Bert. Bert forgave her husband. Michael has a daughter, Hope, who is married to a wealthy man named Alan. Alan is presently in jail because of his involvement with Roger Thorpe. Roger died by falling off a cliff. Alan has been involved with several women during his life. His first love was Jennifer, then Elizabeth, then Jackie, then Hope, then Ed's wife Rita and then back to Hope again!! Alan has two sons, Alan Micheal and Phillip. Phillip is really Jackie and Justin's son but Alan doesn't know this. Alan also has a daughter named Amanda Wexler McFarren who is taking advantage of her father's imprisonment. Kelly Nelson is Ed's godson and is married to Jennifer's daughter named Morgan. Their marriage is based on puppy love. Hillery has several male friends but unfortunately can't decide whom she really wants. Nola Rearden is a cunning woman who wants Kelly and has used every trick to catch him. She even told him that her baby was his, but luckily Kelly found out in time that it wasn't his baby. Nola is now living with the mysterious Mr. McCord. At the present time, no one knows what his plans are for Nola and her baby, Kelly Louise. Between three and four o'clock, the "lighters" watch their favorite continuing saga. The lives of the people in Springfield unfold before the eyes of the "guiding lighters". Watching the trial of Carrie Anderson Todd or the justice of Alan Spaulding, the **Guiding Lights** faithful audience will always stand by their show.

LOG STAFF 1982

SWEENEY TODD

Theatre Company came alive with "Sweeney Todd, Demon Barber of the Barbary Coast," on November 18, 19, and 21, 1981, at the Fine Arts Theatre with a special performance at the Grand Concourse Restaurant on November 23, 1981. Sweeney Todd, a classic 1890's villain, lures his wealthy customers into his "special chair" to "polish them off." Mrs. Lovett would then dispose of the evidence. All does not go well for Todd, however: Mrs. Lovett has second thoughts about their business agreement; Billy, the orphan, and Rose, the newspaper seller, become suspicious of Todd's work; Sailor Tom foils Todd's plan to marry the lovely Lily Fairclough. Directed by Robert Rosen and technically directed by James Lutz, the melodramatic farce entertained eager audiences. The cast includes Paula Comini, Bill Harrison, Steve Morrison, Jill Hackett, David Polsky, Anne Marie Janairo, Robert Banaszak, Donna Bartlett, Ellen Mendlow, Martha Bridgers, Anne C. Cromie, Darcy Roehling, Susan Skindzier, Rick Bookser, Kathleen Vail, John Livanos, William H. Newman III, Steve Moritz, Jackie Mitchell, Debra D'Alessandro, Denice Weinberg, and Tasha Zukowski. The band provided that great "ragtime and honky-tonk music" which added 1890's flavor. The musicians are Diane Benacquista, Bob Earley, Tom Earley, Bill Ewing, Bob Ewing, Craig Frock, and Chuck Haus.

DAYTIMES

Each semester Theatre Company presents student directed and edited period-long plays called daytimes. Classes are permitted to attend these productions thus giving the actors the experience of performing before a live audience. Company members receive a grade for their performance, costuming, direction, and technical cues. Here "Lemonade," by James Prideaux, is the story of two elderly women who meet on a semi-deserted highway on Memorial Day. Julie Kracklauer and Darcy Roehling play the women who sell lemonade and talk of things they have in common. Both girls directed the piece.

On the facing page, Susan Skindzier, Denice Weinberg, and director Kathy Vail portray a mother and daughter, in conflict, and an intervening schoolteacher, trying to understand the relationship, in "Teach Me How to Cry," by Patricia Joudry. Also, directors Sharon Lape and Michelle Malloy play the characters Betty Unger and Marianne Madison in Neil Simon's "The Odd Couple." In this production, consisting of the first act, the male leads have been adapted for female characters.

"Blithe Spirit," by Noel Coward, is a comedy in which a man has remarried after his first wife dies. What provides the humor in this play is the first wife who returns to haunt her husband. The cast consists of director Martha Bridgers, Katie Cuddy, Niccol Donnelly, Lisa Menke, Steve Moritz, and Bill Newman. Other daytimes not pictured here due to conditions beyond our control: "Arsenic and Old Lace," by Joseph Kesserling, featured Robert Banaszak, Richard Bookser, Paula Comini, Camie Cromie, Leslie Hollander, John Livanos, director Jackie Mitchell, and Steve Morrison. This is the story of two sisters who take it upon themselves to rid the world of all lonely men. Their nephew discovers their secret and concludes that his mad brother committed the me awesome deeds. To top it all, their other nephew, a criminal on the run, shows up at the house. Bill Harrison, Colette Locke, director Dave Polsky, and Alison Prine star in "Lovers and Other Strangers," a serio-comic play in which a loving mother and domineering husband try to keep their son's marriage from falling apart. "Childhood," by Thorton Wilder, is the comedic story of the s interpretations of games children play. The cast includes Donna Bartlett, director Alicia Cullens, Debbie D'Alessandro, and Jill Kornberg.

"Aria da Capo," by Edna St. Vincent Millay, is a serio-comic parody of life. Diane Benacquista, Eric Hayes, Anne Marie Janairo, director Ellen Mendlow, and Tasha Zukowski gave excellent portrayals of two groups of friends: the first, acting abstractly, provides the lighter side of life; the second shows the severity of life. "Aria" is a modern, classic one-act verse play based on the Comedia dell'arte and Elizabethan styles of theatre. Special thanks to Tasha for the daytime summaries.

PARKWAY WEST TECHNICAL SCHOOL

About forty students from Mount Lebanon High School attend Parkway West Technical School. There they learn various trades such as carpentry, cosmetology, auto mechanics, and plumbing. A typical day begins at 7:15, one hour before the rest of the high school reports to homeroom. Unfortunately, because they miss homeroom, announcements, and half of the Lebo school day, Parkway students feel left out of a lot of activities and school spirit of the high school. In addition to the fact that Parkway students leave Parkway with the skills to carry them through the rest of their lives, they must take required English and gym courses (along with math, sciences, and social studies in order to graduate from Lebo.

Parkway students are privileged. They get a taste of regular high school life along with "on-the-job-training." Each vocational area trains the individual as the job gets done. One example of the fruits of their efforts is the house that the future carpenters built.

Some of the graduating Parkway Seniors will continue their education in their own fields. Others will enter directly into the job market. We wish them the best luck with their futures. Special thanks to Bernie Kramer.

HOLIDAY SHOW

On December 16, 1981, Student Congress sponsored the Annual Holiday Show, directed by Robert Rosen. Created by the Student Congress officers and their friends, the theme revolved around two lonely bums, played by seniors Joe Donnely and Mike Healey, during the holiday season. Seniors Mark Lewis and Jackie Mitchell professionally hosted the show as "spirits" of the holidays. The evening included music by Paul A. Anderson, Lilian Bender, Helen Cox, Tom Earley, Marc Evans, Bill Ferguson, Anne George, Anne Marie Janairo, John Lind, Steve Morrison, Andy Morton, Mark Mule, James O'Connor, and Rusty Steving; skits with Paul Anderson, Pat Anglin, Paula Comini, Kevin Dougherty, Bob Earley, Kenn Fetterman, Aylmer Magill, David Polsky, and Darcy Roehling; and dances by Nancy Banner, Padma Kalipatnapu, Stacy Kramer, Maura Minsky, Rachel Rosenfeld, and Cassandra Sproch. Tom Finke announced and the technical aspects came under Mike Beller (lighting and sound) and Spencer Cominos (curtains). The cast hopes that they brought some love and happiness into the hearts of those who felt alone during the holiday season. The show was a sold-out success before a highly receptive audience; everyone could feel that joyous holiday spirit. Proceeds from the show went to the Richard Aldisert Scholarship Memorial Fund.

Championship athletic teams are a matter of course at Mount Lebanon High School. Each year, the Blue Devils field awesome teams in most every sport from cross country to tennis, and, each year, the winning teams get even better. Dominating their own sections, the Western Pennsylvania Interscholastic Athletic League, and often the entire of Pennsylvania, Mount Lebanon teams have earned well their reputation of athletic excellence. Their great accomplishments result from much hard work on the part of coaches, managers, trainers, the athletes themselves, and also Mr. Glenn Aston-Reese, Coordinator of Athletics. Although publication deadlines do not permit the inclusion of all the fine teams, we are pleased to present the Fall and Winter Sports. Congratulations to these fine teams and also to the Spring Sports, Baseball, Boys' Tennis, Boys' and Girls' Track and Softball.

Under the auspices of Coaches John Wilcher, Ron Wilcher and John Crist, the Varsity Soccer team had a fantastic season. Not only did the team win its section and W.P.I.A.L.s, but also became the first team from Western Pennsylvania to win the state soccer championship. Led by captains Dave Papalia, Joe Donnelly and Rob Wilcher, the team finished the season with a 30-1-2 record. Coach John Wilcher feels that this is the best team he ever coached, and looks forward to next year when 10 lettermen will return.

Senior captains Dave Bruni and Mark Lewis led the 1981 Boys' Cross Country team to a fine record of 6 wins and 4 losses. Placing tenth in the Central Catholic Invitational, fourth in the Tri-State Meet and fourth in the Northern Invitational, the Blue Devil runners also made a fine showing in the Southern W.P.I.A.L. Qualifier and the W.P.I.A.L. Finals where they placed third and fifth respectively. Although the team will lose seniors Andy Douds, Mark Goetz, Lou Gray, Brian Harrity, Will Loftis, Jim Mangan, Chris Nabors and Eric Patterson in addition to Bruni and Lewis this year, a strong group of underclass runners should be able to fill the void. Among these are Bob Weiner, Pete Fleming and Tim McClain and members of an outstanding Junior Varsity team who are expected to improve over the summer. Head Coach Ron Schreiner and Assistant Coach Ken Wentzel provided the coaching which brought the Mt. Lebanon team to such a productive season this year and look forward to another successful season for Mt. Lebanon Cross Country next year.

GIRLS' CROSS COUNTRY

Row 1: R. Wilson, N. Rosile, L. Burnett, D. Lon, G. Leone, W. Mangan **Row 2:** C. Crosby, P. Robbins, A. DeLacio, K. Fairbanks, M. Mangan, H. Russell

A very young 1981 Girls' Cross Country team finished the season with an excellent dual meet record of 9 wins and only 1 loss. Also faring well in tournament running, the Blue Devils placed third, second and second respectively in the Central Catholic Invitational, the Tri-State Meet and Northern Invitational. They also won a second place at the W.P.I.A.L. Southern Qualifier and a third at the W.P.I.A.L. Finals. Head Coach Ron Schreiner and Assistant Coach Ken Wentzel are confident about next year's outlook as the team will lose only senior captains Lisa Burnett and Debbie Lon. The solid base provided by the underclass runners plus the great experience of those returning indicate that next year's team will be even better, an accomplishment that will not be easily attained as this year's team placed third or higher in every invitational meet attended this year.

GIRLS' GOLF

Row 1: A. George, Coach Renaud, J. Chi, M. McGrath.

The 1981 Girls' Golf team compiled a record of 5 wins and 3 losses. Captains Anne George and Macdara McGrath along with team members Christy Bohlen, Jennifer Chi, Jennifer Jaumotte and Kim Ostrowsky made up the team which was well coached by Ms. Therese Renaud. Capturing individual honors, senior Macdara McGrath golfed excellently this season as she qualified for the W.P.I.A.L. Individual Tournament. With the return of this year's underclass golfers, Girls' Golf at Mt. Lebanon should once again prove to be a winning team in 1982.

BOYS' GOLF

Row 1: J. Mascaro, K. Gooding, J. Ostrowsky, F. McGrath, M. Anderson.

Coached by Mr. Dan Capanna, the Boys' Golf team finished the 1981 season with an excellent record of 11 wins and 2 losses. Seniors Mark Anderson, Kurt Gooding and John Mascaro, along with juniors Jeff Ostrowsky and Ken Zanone, and sophomores Dan Caste, Mike Logue and Flannon McGrath advanced their team to the Western Conference Tournament where they earned a second place trophy. Individually, Mt. Lebanon golfers also fared well as John Mascaro and Jeff Ostrowsky qualified in the sectional and regional tournaments and in the W.P.I.A.L. Individual Championship. Coach Capanna looks forward to another fine season next year with the return of many underclassmen.

VARSITY VOLLEYBALL

Under the direction of first year coaches John Tupta and Sally Kleffman, the Varsity Volleyball Team finished the season with a record of 1 win and 14 losses. Senior captains Lori Davis and Sue Dencler as well as seniors Annie Hindmarsh, Stacy Kramer, Maura Minsky, Amy Ollett, Mary Ann Sirc and Joan Toner will be leaving the team this year but a strong group of underclass players should be able to fill their places. Coach Tupta commented that "this year was the beginning of a rebuilding process" and noted that "those participating this year improved their individual abilities by 50-150% from the first day of practice." He also added, "With a losing record, it is easy to give up and quit. The girls continued to improve and learn more about competition and themselves." Looking confidently toward next year's team, he concluded that "the enthusiasm of those returning next year, plus the progress made this year, coupled with some off-season work should provide better results" for the 1982 Mt. Lebanon Volleyball season.

This year girls' tennis team bounced back from a tough season last year and regained their W.P.I.A.L. championship title. With the strength of their devoted coach, Chuck Stull, behind them at all times, they succeeded in securing a 17-0 record. This season, nationally ranked Gretchen Rush won her second W.P.I.A.L. and P.I.A.A. championship. Seniors Cheryl Cook and Kathy O'Hara placed fourth in the P.I.A.A. competition after capturing the W.P.I.A.L. doubles title. Although these three letterwinners will not be returning for the next season, Coach Stull feels secure with six of the nine letterwinners returning.

The offense has a high average of 5 goals per game because of leading scorers Amy Camel, Allie Molinda and Colleen Fox. The defense, led by goaltender Kathy Hynds, was unscored on. Lori Viarpoulos was voted Most Valuable Player and Georgeanne Morin was the team's Unsung Hero. Favored to win the W.P.I.A.L. championship, the girls did so and are looking forward to an equally successful season in 1982. Although the team will lose seniors Beth Brightman, Amy Camel, Eleanor and Madelyn McKennan, Julie Sydor, and Lori Viarpoulos, a strong nucleus of underclassmen will return.

In spite of the loss of their fine coach, Mr. Ashburner, the Girls' Basketball team have dedicated themselves to hard work. This is evident from their 15-0 record half-way through the season. Senior captains Peggy Hufnagel and Jackie Jacobs are the leading scorers, along with Terry Spicuzza. Mary Grace McClain, Karen Stough and Gail Grubb add depth to the team and even the bench is full of talent. Coach Bradely is expecting the team to improve even more and feels that this is one of the best teams Mt. Lebanon has ever seen. Presently, the team is number one in their section and can continue to look forward to the years ahead with the addition of the talented Junior Varsity team.

Coached by Richard Black, Don Hobaugh, and Kurt Wentzell, the 1981-1982 Blue Devil Basketball team posted a 7-5 record with a 2-0 section mark as the first third of the season drew to a close. Defeating the W.P.I.A.L.'s third place team, Wilkinsburg, 28-27, and nearly beating an undefeated North Allegheny team in overtime highlighted the early part of the Mt. Lebanon season. The team, led by captains Fred Lee and Mark Trichtinger, will lose the skills of seniors Dan Dacierno, Phil Eskew, Dave Papalia and Bob Schilken, as well as Lee and Trichtinger to graduation this year. A strong group of underclass players, however, should provide a firm base for next year's team. These underclassmen include junior guards John Bruni, leading scorer Tom Hickey and Bob Weiner, along with sophomore Matt Ehland, all who played often this season. Expressing his views about the Blue Devils early in the season, Captain Fred Lee stated, "We're small, but we're tough," and Mark Trichtinger speculated, "We should finish high in the section."

Underclass

Now that the year is ending, the Juniors are looking forward to being Seniors, the Sophomores want to be Juniors, and the Freshmen want to be anything but Freshmen. We still remember that first day of school: everyone started with a clean slate, we met new teachers, and the new students roamed the halls, lost. We also had so much fun in homeroom — Those announcements everyone listened to, excuses from Mom, tardies, those serious homeroom elections, locker clean-up. Sophomores become upper classmen. No more studyhalls! Juniors are finally seniors. And we all know that Seniors run the school — except for the committee.

Seniors

It's here! It has finally arrived! Our Senior Year is here! And boy do we deserve it. For the past four years all we've heard is "Wait until you're seniors. Then you'll understand." Now we see what they meant. We are at the top of the school; we're planning our futures, yet loafing to our hearts content. There is so much here just for seniors: Senior theme days, Graduation announcements, our own section in the LOG, Graduation, Senior cut day, the Prom, Homecoming, and the Snowball. It's an indescribable feeling having the pressure of school off our shoulders. But do we mind? We have grown up with each other, gone through hardships and happy experiences, and now we're facing the world together. It's been a great four years and if we do lose track of each other, there is always our five year reunion to rekindle friendships. Good Luck for the rest of your life!

When I was a child, I spoke as a child,
I understood as a child, I thought as a child:
But when I became a man, I put away childish things.
I Corinthians

Time it was,
And what a time it was
It was . . .
A time of innocence,
A time of confidences,
Long ago . . . it must be . . .
I have a photograph,
Preserve your memories —
They're all that's left to you.
Paul Simon

The greatest man is not the one
who never falls,
for he often walks a path with
no stones;
but rather the man who picks
himself up
each time he falls.
Dennis Kirkendall

Oh what a lucky day,
things are going my way,
sun is arising mesmerizing
everything I say.

Mount Lebanon High School
Proudly presents
The Graduating Class of 1982

Forget the books that were overdue
Forget the "imported" cases of brew
For no one can contest
That the class that is the best
Is that awesome group of kids
Known as Seniors '82.

Well say goodbye it's
Independence Day
It's Independence Day
All boys must run away
So say goodbye it's
Independence Day
All men must make
Their way come
Independence Day.
Bruce Springsteen

You've decided to go to college — if only because everyone else has. Now you've got to persuade a college to accept you.

The Official
Preppy Handbook

In Memory of
Jeffrey Fairman

They shall not grow old,
as we that are left grow old:
Age shall not weary them,
nor the years condemn.

At the going down of the sun
and in the morning
We will remember them.

If you have built castles in the air, your work need not be lost; that is where they should be. Now put the foundations under them.

Thoreau

And the people —
ah, the people.
Poe

A man who can rightly and truly enjoy his existence is absolutely and almost divinely perfect.

Montaigne

Youth is happy because it has the ability to see beauty. Anyone who keeps the ability to see beauty never grows old.

Kafka

It is a fabulous country, the only fabulous country; it is the only place where miracles not only happen, but where they happen all the time.

Thomas Wolfe

Do not wish to be anything but what
you are,
and try to be that perfectly.
St. Francis DeSales

John Hinckley

Nothing is worth more than this day.
Goethe

You only go around once in this life, so
reach for the gusto!
Schlitz

Be not afraid of life. Believe that life is worth living,
and your belief will help create the fact.
William James

There is no strong performance without
a little fanaticism in the performer.
Emerson

To be fully alive, the future is not
ominous but a promise; it
surrounds the present like a halo.
John Dewey

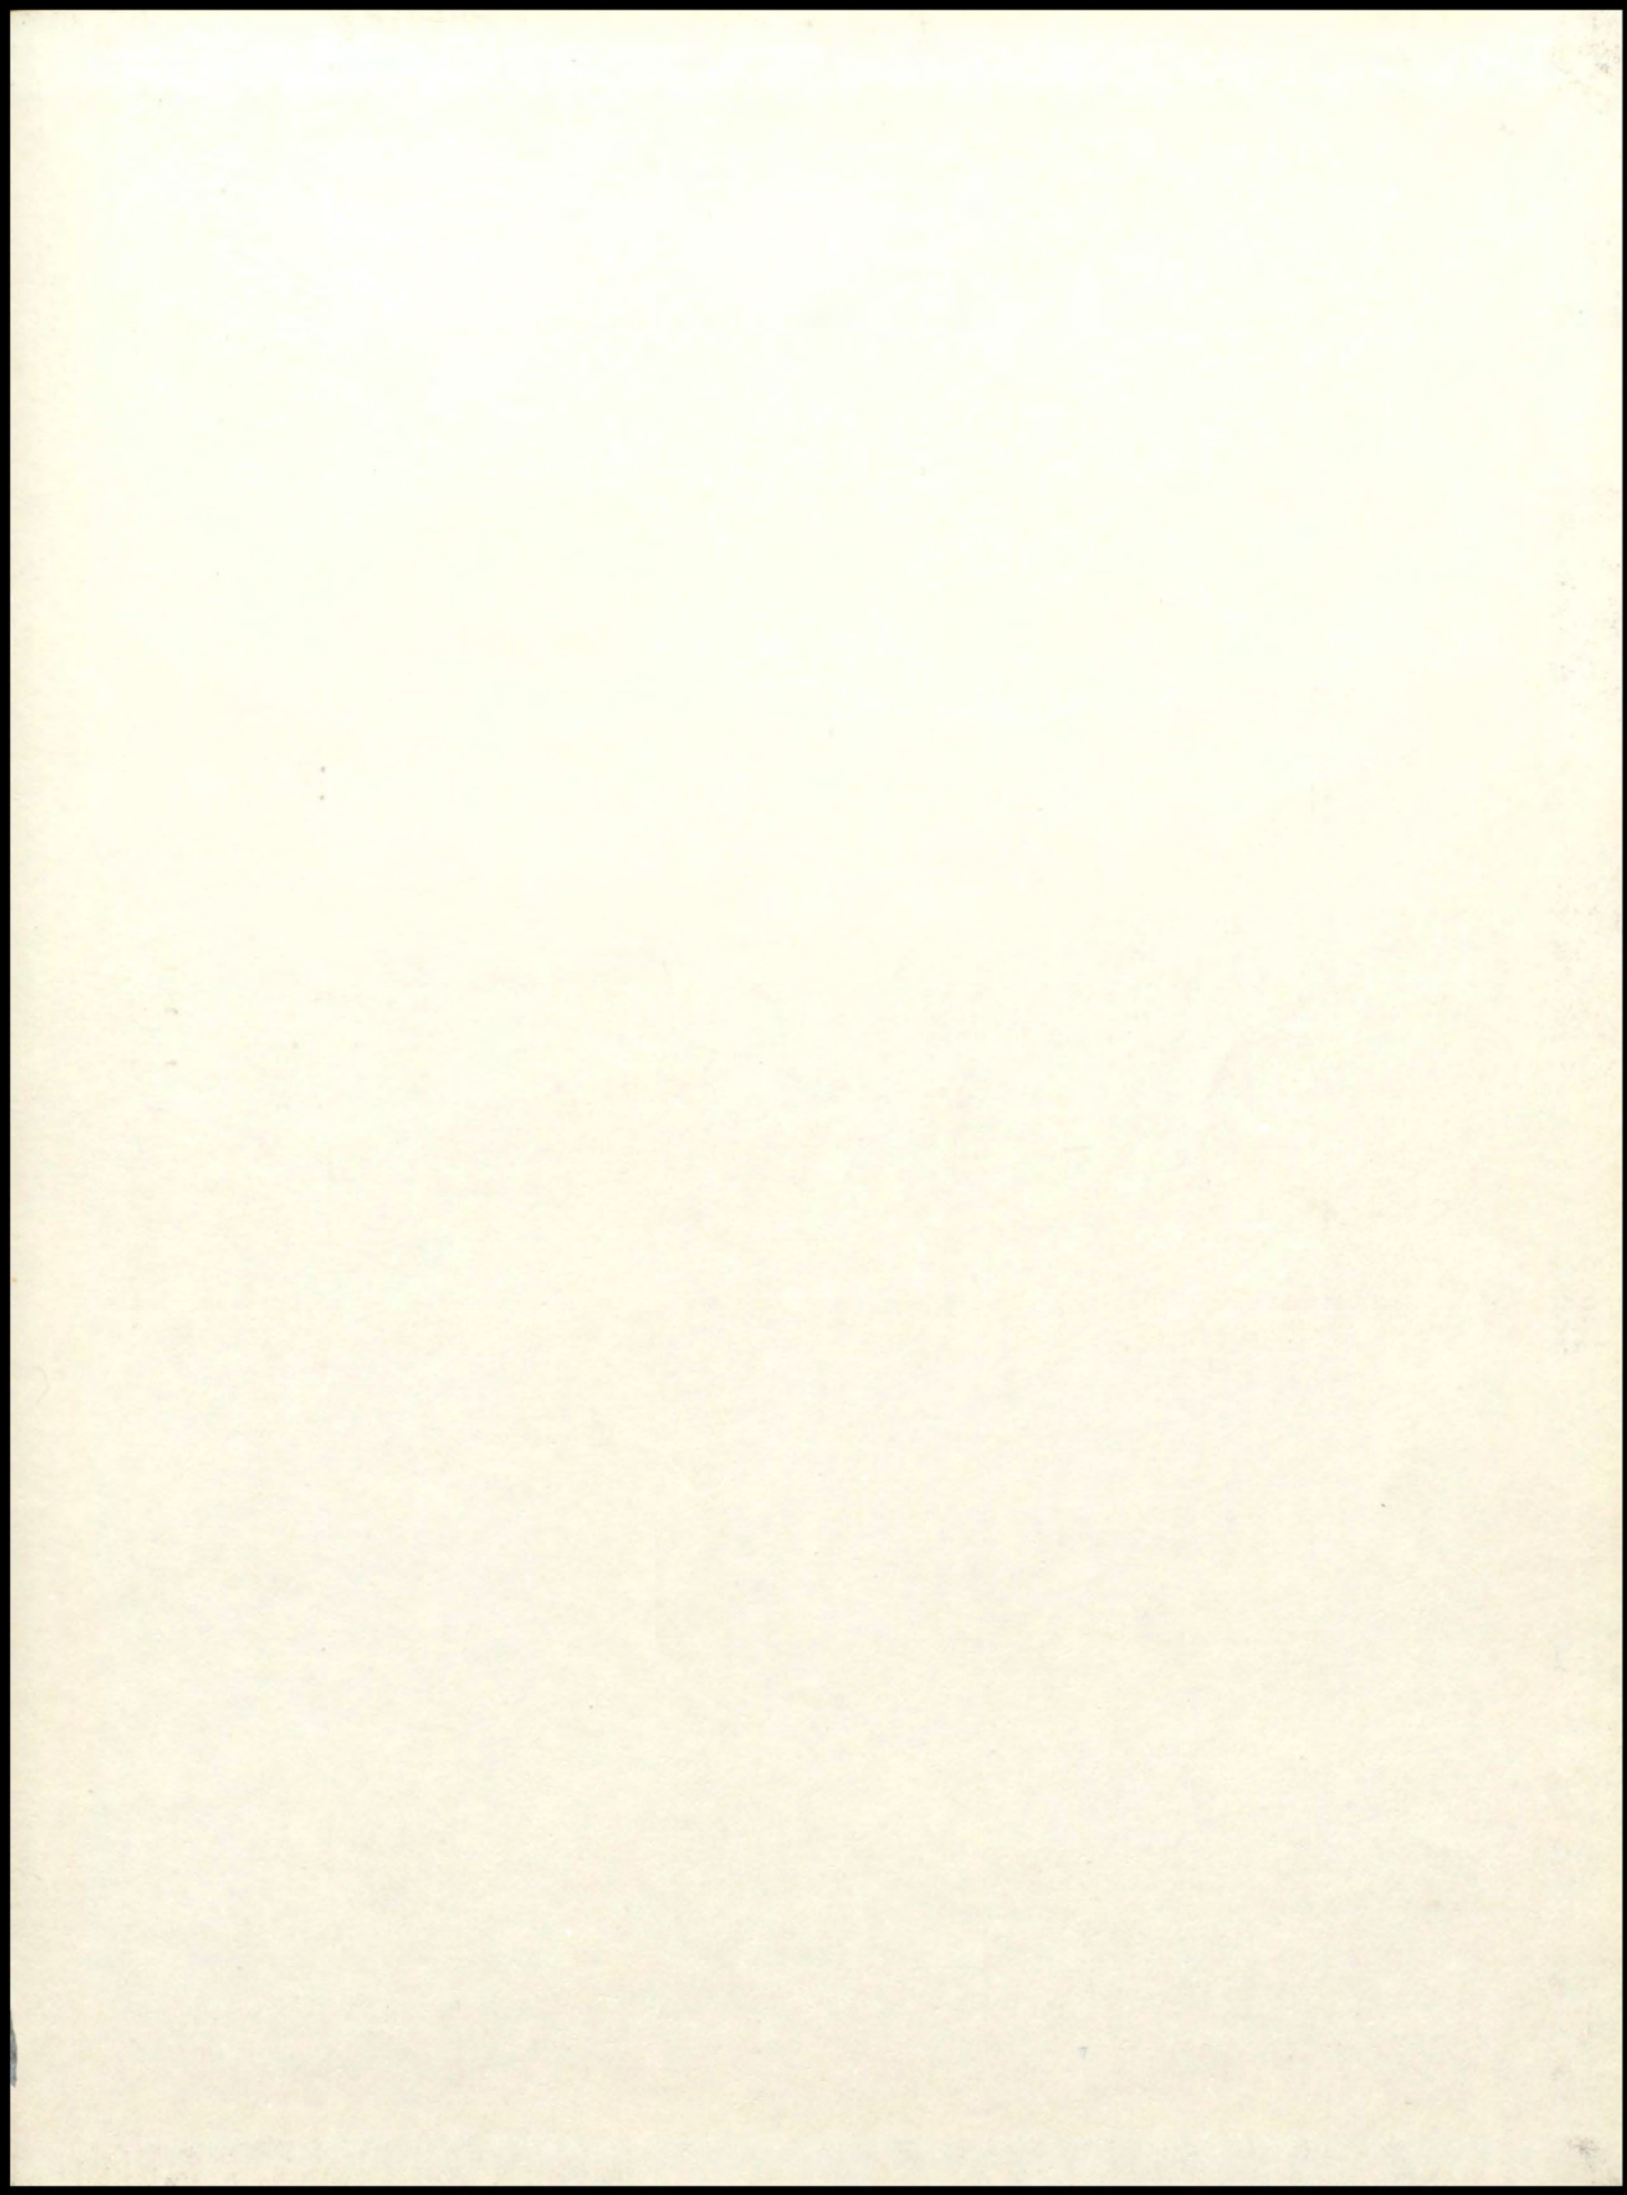

I'm gonna live forever.
Fame

there's a hell of a good universe next door: let's go.
